

**GAYATRI ENERGY VENTURES PRIVATE LIMITED**

**13<sup>th</sup> ANNUAL REPORT**

**2020-2021**

**INDEPENDENT AUDITORS' REPORT**

To the Members of Gayatri Energy Ventures Private Limited

**Report on the Audit of the Standalone Financial Statements**

**Opinion**

We have audited the Standalone Financial Statements of Gayatri Energy Ventures Private Limited ("the Company"), which comprise the Standalone Balance Sheet as at 31<sup>st</sup> March, 2021, and the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2021, and the loss and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

**Emphasis of Matter**

(Note Nos. referred hereunder are with reference to respective notes forming part of Standalone Financial Statements)

We draw members attention to the following matters:

- (i) As stated in note 17.6, regarding exit agreement entered by the company in respect of investments/advances/share application money made in certain power projects and long pending recovery of the same.
- (ii) As stated in note 17.19, regarding amount payable to holders of Optionally Fully Convertible Debentures.
- (iii) As stated in note 17.20, which describes the uncertainties and the possible effects of Covid-19 on the operations of the Company.

Our opinion is not modified in respect of the above matters.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Audit Process
<p><b>Carrying value of Investments in Bhandara Thermal Power Corporation Limited (BTPCL)</b></p> <p>The management of the company regularly reviews whether there are any indicators of impairment on unquoted investments made by the company. Accordingly, the management had identified impairment indicators in BTPCL, a wholly owned subsidiary of the company with an equity investment of Rs.4,95,78,340 and an unsecured loan of Rs.86,01,84,590 (Refer Note 17.9 of the Financial Statement).</p> <p>In case of BTPCL, the existence of an impairment indicator is significantly influenced by whether there is an impairment to the underlying investment made by the company in the land acquired by it for the execution of the thermal project.</p> <p>Accordingly, the evaluation of impairment of investments made and loan given was determined to be a key audit matter.</p>	<p>Obtained and read the financial statements of BTPCL to identify if any disclosure is made for impairment of assets in its standalone financial statements.</p> <p>Obtained from the management an understanding of the impairment indicator assessment i.e. Valuation report of investment made in the land</p>
<p><b>Carrying Value of Investments in NCC Infrastructure Holdings Limited (NCCIHL)</b></p> <p>The management regularly reviews whether there are any indicators of impairment on unquoted investments made by the company.</p> <p>Accordingly, the management had identified impairment indicators in NCCIHL, associate of the company with an equity investment of Rs. 289,69,35,152. (Refer Note 17.4 of the Standalone Financial Statement).</p> <p>As per Ind AS 36 - 'Impairment of Assets' the standard is applicable to financial assets classified as Associates.</p> <p>In case of NCCIHL, the existence of an impairment indicator is significantly influenced by whether there is an impairment to the underlying investment in infra project made by the said company. This assessment involves significant judgment especially in relation to determination of expected future economic benefits.</p> <p>Accordingly, the evaluation of impairment of investments in NCCIHL was determined to be a key audit matter</p>	<p>Obtained and read the financial statements of NCCIHL to identify if any disclosure is made for impairment of assets in its standalone financial statements.</p> <p>Obtained the details of Risk assessment conducted by the management.</p> <p>We have obtained the management's understanding with regard to impairment of the investments made in loss making associate company.</p>

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and analysis, Boards Report including annexures to Board's Report, Business responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Responsibilities of Management and those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

- 1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- 2) As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanation, which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account, as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including other Comprehensive Income, the Statement of Changes in Equity and the statement of Cash Flow dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

## Annexure A to the Auditors' Report

The Annexure referred to in the Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31<sup>st</sup> March 2021, we report that:

- (i) According to the information and explanations given to us by the management, the Company does not have any fixed assets. Hence paragraph 3(i) of the Order is not applicable for the current year under report.
- (ii) According to the information and explanations given to us by the management, the Company does not have any physical inventories. Hence paragraph 3(ii) of the Order is not applicable for the current year under report.
- (iii) The Company has granted unsecured loans of ₹86,01,84,590 /-to companies, parties covered in the register maintained under Section 189 of the Act. In respect of such loans:
  - a. According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of loans granted by the company are not prima facie prejudicial to the interest of the company.
  - b. In respect of aforementioned loans, schedule of repayment of the principal and interest has not been stipulated as the principal amount is repayable on demand.
  - c. In respect of aforementioned loans, there is no amount which is overdue for more than 90 days.
- (iv) According to the information and explanation given to us, the Company has complied with the provisions of Sec 185 and Sec 186 of the Act to the extent applicable for the current year under report.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from public during the year. Hence paragraph 3(v) of the Order is not applicable for the current year under report.
- (vi) In our opinion and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of any cost records under Section 148 (1) of the Act for the current level of activities of the Company. Hence paragraph 3(vi) of the Order is not applicable for the current year under report.
- (vii) In respect of statutory dues
  - a. According to the information and explanations given to us, and based on our examination of records the Company, amounts deducted/accrued in the books of accounts in respect of undisputed statutory dues including provident fund, value added tax, cess and other material statutory dues have been regularly deposited during the year by the Company with appropriate statutory authorities except income tax for which there have been serious delays in a large number of cases.
  - b. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, value added tax, Goods and Service Tax, cess and other material statutory dues were in arrears as at 31<sup>st</sup> March, 2021 for a period more than six month from the date they became payable except as below:

Name of Statute	Nature of the Dues	Amount (₹)	Period to which amount relates
Service Tax	Service Tax	1,59,500	2015-16

- c. According to the information and explanations given to us and based on our examination of records of the Company, there are no material dues of provident fund, income tax, value added tax, cess and other material statutory dues which have not been deposited as on 31<sup>st</sup> March, 2021 with the appropriate authorities on account of any dispute.

- (viii) Based on our audit procedures and according to the information and explanations given to us, we are of the opinion that the Company has defaulted in payment of dues to debenture holders as under:

Name of Debenture Holders	Debentures due for redemption in Rs.	Period of default (In days)	Interest due on Debentures in ₹	Period of default (In days)
Capital Fortunes Private Limited	1,97,73,300	1014	19,19,589	1014
Capital Fortunes Ventures Private Limited	1,57,59,350	1014	1,99,33,900	1014
D.V.Chalam	37,17,350	1014	22,86,286	1014
<b>Total</b>	<b>3,92,50,000</b>		<b>2,41,39,775</b>	

- (ix) According to the information and explanations given to us and based on our examination of records, the Company has not raised any money from public by way of initial public offer, further public offer or term loans. Hence paragraph 3(ix) of the Order is not applicable for the current year under report.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of audit.
- (xi) According to the information and explanations given to us and based on examination of records, the provisions of Section 197 of the Act are not applicable to the Company. Hence paragraph 3(xi) of the Order is not applicable for the current year under report.
- (xii) As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, paragraph 3 (xii) of the Order are not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on examination of records of the Company, transactions with related parties are in compliance of Sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Accounting Standards.
- (xiv) According to the information and explanations given to us and based on examination of records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Hence, paragraph 3 (xiv) of the Order is not applicable for the current year under audit.

- (xv) According to the information and explanations given to us and based on examination of records of the Company, the Company has not entered into any non-cash transaction with directors or persons connected with him. Hence paragraph 3(xv) of the Order is not applicable for the current year under report.
- (xvi) On the basis of assessment of the nature of business of the Company, duly supported by an independent opinion from an expert, the management is of the view that provisions of section 45-IA of the Reserve Bank of India Act 1934, is not applicable to the Company. Accordingly, the Company has not got itself registered under the aforesaid provision as at 31st March, 2021.

## **Annexure - B to the Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

#### **Opinion**

We have audited the internal financial controls over financial reporting of **Gayatri Energy Ventures Private Limited** ("the Company") as of 31<sup>st</sup> March, 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31<sup>st</sup> March, 2021, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Note 1: Corporate information and Significant accounting policies**  
**Corporate information**

Gayatri Energy Ventures Private Limited ("the Company") is a Private Company domiciled in India, having its registered office at B1, 6-3-1090, TSR Towers, Raj Bhavan Road, Somajiguda, Hyderabad-500 082. The company is incorporated to invest in power projects/ power companies and enter into joint ventures by way of subscription to the shares, to carry on in India or elsewhere the business to generate, receive, produce, improve, buy, sell, resell, to deal in power.

**Significant accounting policies**

This note provides a list of the significant accounting policies adopted in the preparation of these Standalone Financial Statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**(i) Basis of preparation**

**a. Compliance with Ind AS**

The Company's Financial Statements have been prepared to comply with generally accepted accounting principles in accordance with the Indian Accounting Standards (herein after referred to as "Ind AS") as notified by the Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ("the Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules 2015 and Companies (Indian Accounting Standards) Amendments rules 2016.

**b. Basis of preparation and presentation of Financial Statements**

The Financial statements are prepared on accrual basis following the historical cost convention except in case of certain financial instruments which are measured at fair values. The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed under Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Indian Accounting Standard (Ind AS) - 7 on "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in Schedule III to the Act, are presented by way of notes forming part of the financial statements along with other notes required to be disclosed under the notified Ind AS. Further, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable. Accounting Policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy used previously. Fair value for measurement adopted in these financial statements is determined on such a basis, except leasing transactions that are within the scope of Ind AS 17, Net Realizable value as per Ind AS 2 or value in use as per Ind AS 36. Fair value measurements under Ind AS are categorized as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the Asset or Liability.

**(ii) Use of estimates**

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**(iii) Revenue Recognition**

**Revenue from Operations:**

Revenue from operations includes profit on sale of investment.

**Other Income**

Interest income is accounted on accrual basis as per applicable interest rates and on time proportion basis taking into account the amount outstanding.

**(iv) Foreign Currency Transactions**

- (a) The reporting currency of the company is Indian Rupee.
- (b) Foreign exchange transactions are accounted at the rates prevailing on the date of the transactions.
- (c) Monetary assets and current liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates. The difference in translation of monetary assets and liabilities and realized gains and losses on foreign exchange transactions are recognized in the Statement of Profit and Loss.
- (d) Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

**(v) Financial Instruments**

Financial Assets and Financial Liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial Assets and Financial Liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets and Financial Liabilities (other than Financial Assets and Financial Liabilities at fair value through profit or loss) are added to or deducted from the fair value of the Financial Assets or Financial Liabilities, as appropriate, on initial recognition.

**(vi) Financial Assets**

Financial Asset is any Asset that is -

- (a) Cash
- (b) Equity Instrument of another Entity,
- (c) Contractual right to –
  - (i) receive Cash / another Financial Asset from another Entity, or
  - (ii) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.

Investment in Equity Shares issued by Subsidiary and Associate are carried at cost less impairment.

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments, other than those stated above, which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments other than those stated above, the subsequent changes in fair value are recognized in other comprehensive income.

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

**(vii) Impairment of Financial Assets**

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss.

**(viii) Financial Liabilities**

Financial liabilities are recognized at fair value net of transaction costs and are subsequently held at amortized cost using the effective interest rate method.

Financial liabilities carried at fair value through profit and loss are measured at fair value with changes in fair value recognized in the Statement of profit and loss.

In case of compound financial instruments, the entity recognises separately the components of a financial instrument that (a) create a financial liability for the entity and (b) grants an option to the holder of the instrument to convert it into an equity instrument of the entity.

The initial carrying amount of a compound financial instrument is allocated to its equity and liability components, the equity component is assigned with the residual amount after deducting from the fair value of the instrument as a whole, the amount separately determined for the liability component.

Transaction costs that relate to the issue of a compound financial instrument are allocated to the liability and equity components of the instrument in proportion to the allocation of proceeds.

Debentures issued are measured at amortized cost using the effective interest rate method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

**(ix) De-recognition of Financial Instruments**

A Financial Asset is derecognized when the right to receive cash flows from the asset has expired or the company has transferred substantially all the risks and rewards or the right to receive the cash flows under a contractual arrangement or has transferred the asset.

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires. In the case where the existing liability is replaced by another liability either from the same lender or

otherwise such an exchange is treated as de-recognition of the original liability and recognition of a new liability. Any change in the carrying amount of a liability is recognized in the Statement of Profit and Loss.

**(x) Borrowing Costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are those that necessarily take a substantial period of time to get ready for their intended use or sale.

Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost that is eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

**(xi) Earnings Per share**

Basic earnings per equity share is computed by dividing the net profit attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

**(xii) Provisions and Contingent Liabilities**

- (a) A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that can be reasonably estimated, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.
- (b) Contingent Liabilities are present obligations arising from a past event, when it is not probable or the probability is remote that an outflow of resources will be required to settle the obligation and they are not recognized but are disclosed in the notes forming part of the financial statements.

**(xiii) Taxes**

Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case, it is recognized in other comprehensive income. The income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted as on the balance sheet date.

**(xiv) Statement of Cash Flows**

Statement of Cash Flows is prepared by segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using the indirect method. Under the indirect method, the net profit is adjusted for the effects of:

- (a) transactions of a non-cash nature;
- (b) any deferrals or accruals of past or future operating cash receipts or payments;
- (c) items of income or expense associated from investing or financing cash flows; and
- (d) Cash and cash equivalents (including bank balances) are reflected as such in the Statement of Cash Flows.

**(xv) Impairment of Non-Financial Assets**

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognized in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

**Recoverable amount is determined:**

- (a) In case of an individual asset, at the higher of the Assets' fair value less cost to sell and value in use; and
- (b) In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.
- (c) In assessing Value in Use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified with the asset. In determining fair value less cost to sell, recent market transactions are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to Other Comprehensive Income (OCI). For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through the Statement of Profit and Loss.

**(xvi) Cash and Cash Equivalents**

Cash and cash equivalents include cash, bank balances, fixed deposits and margin money deposits.

**(xvii) Commitments**

Commitments are future liabilities for contractual expenditure.

Commitments are classified and disclosed as follows:

- (a) Estimated amount of contracts remaining to be executed on capital account and not provided for;
- (b) Uncalled liability on shares and other investments partly paid;
- (c) Funding related commitment to subsidiary, associate and joint venture companies and
- (d) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.
- (e) Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

### 17.2 Employee Benefits

The Company has no liability for employee benefits, in accordance with the provisions of Ind AS – 19 “Employee Benefits”. Hence, no provision has been made in the books of accounts.

17.3 In the absence of profits, the Company has not created Debenture Redemption Reserve as stipulated in the Companies Act, 2013.

17.4 During the previous financial years, pursuant to various agreements entered between the company, Sembcorp Gayatri Power Ltd (SGPL), Sembcorp utilities Pte. Ltd (SUL), Sembcorp Energy India Ltd (formerly Thermal Power Corporation India Limited) (SEIL) and NCC Infra Holding Ltd (NCCIHL) (associate company) for the reorganization of SembCorp group’s power portfolio in India to consolidate its beneficial holdings in SGPL, the company had sold its partial investment in NCCIHL to NCC Limited. Further, pursuant to the agreement the company had agreed to sell its remaining shares held in NCCIHL to NCC Limited on a mutually agreed price on receipt of “subsequent tranche letter” from NCC Limited. The company is yet to receive the letter to sale the investment as at 31<sup>st</sup>March, 2021 and hence, the effect of transfer of shares will be recognized on transfer of shares. Further, the company has invested in Equity Shares of ₹2,89,69,35,152/- in the associate company during the previous years and as per the audited financial statements of the associate company, it has been incurring losses during the past few years and accumulated losses have affected the net-worth of NCCIHL. The company has conducted the Risk Assessment of its assets including its investment in NCCIHL. In accordance with the same, the management of the company is of the opinion that no provision is required to be made for the diminution in the carrying value of the equity investments made by the company for the year ended 31<sup>st</sup>March, 2021.

### 17.5 Earnings Per Share

Particulars	Amount in ₹	
	2020-21	2019-20
Basic & Diluted EPS:		
Net Profit after tax attributable to Equity Share Holders (A)	(6,68,10,568)	(80,53,67,924)
Weighted Average number of Equity Shares outstanding (B)	65,24,030	65,24,030
Basic Earnings per Share (A/B)	(10.24)	(123.45)

Note: Potential Equity shares on conversion of CCD'S and OFCD'S have been ignored, since it is anti-dilutive in nature.

17.6 During the preceding financial years, the company had made an investment/ advance/ share application money to Jinbhuvish Power Generation Private Limited and Jinbhuvish Powertech Private Limited to set up a coal-based power plant in Maharashtra and as on 31<sup>st</sup>March, 2021 the total amount infused in the form of investment/advance/share application money is ₹55,44,45,532/-. The Company had decided to exit from the said power project and in this regard entered into an Exit Agreement on 25<sup>th</sup>May, 2013, which was subsequently amended by various letter agreements and as per the latest agreement the company shall exit from the said power project by 31<sup>st</sup>October, 2021. The management of the company considering there has been a significant delay in exiting from the above investments as a matter of prudence has decided to make a provision for impairment for investment made to the extent of ₹ 15,00,00,000/- and further has provided a total provision for credit loss of ₹ 12,72,22,766/- on the advances/ share application money. However, the company is confident of exiting from aforesaid projects and recovering the amounts in due course.

17.7 During the previous financial years, the company had entered into Master Shareholders agreement with Sembcorp Utilities PTE Ltd (SUPL), Sembcorp Energy India Limited (formerly Thermal Power Corporation India Limited) (SEIL) and Sembcorp Gayatri Power Limited (SGPL). Pursuant to this agreement, the company has an option to exercise the call option of purchasing 5.88% of shareholding of SEIL i.e, 30,33,30,925 shares. Further during the previous year, pursuant to the Share Purchase Agreement entered by the company with the Sembcorp Utilities Pte. Ltd., the subsidiary company had sold its entire investment in SEIL. However pursuant to the Share Purchase Agreement, the subsidiary company is entitled for earnout on the call option shares and the same shall be payable by the purchaser only upon the occurrence of a Liquidity Event which is no later than 25<sup>th</sup>May, 2022.

Figures in brackets relate to the previous financial year.

17.9 Bhandara Thermal Power Corporation Limited (BTPCL), Subsidiary company incorporated to build, own and operate coal-fired power plant in Bhandara district of Maharashtra, India in which the Company had invested through Equity Share Capital of ₹4,95,78,340/- and also funded as and when required in the form of unsecured loan, the balance loan as at 31<sup>st</sup> March 2021 is ₹ 86,01,84,590/-. The subsidiary company had acquired 622.93 Acres of land out of total projected requirement of 1300 Acres. However, the project could not start due to several issues like pending land acquisition, pending coal allotment and pending financial closure. The subsidiary company has decided to sell the land acquired by it and is in the early stages of looking out for prospective buyers and repay the holding company the entire amount due to them, from the proceeds of sale of the land. The management of the company based on the valuation reports of such land is confident of recovering the entire investment made by it in the subsidiary company and hence is of the view that no provision is required to be made for the equity invested and loan given to the subsidiary company.

17.10 Contracts remaining to be executed on capital account as on 31<sup>st</sup> March, 2021 are NIL. (Previous Year ₹NIL).

### 17.13 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that they can maximize returns for the shareholders and benefits for other stake holders. The aim is to maintain an optimal capital structure and minimize the cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted). Consistent with other entities in the industry, the Company monitors its capital using the gearing ratio which is total debt divided by total equity.

#### Financial Instruments:

Some of the Company's financial assets and financial liabilities are measured at fair value at the end of the reporting period.

#### Financial Instruments by category.

Financial Assets and Financial Liabilities are the categories of Financial Instruments.

**Financial Assets:**

Amount in ₹

Particulars	As at 31 <sup>st</sup> March, 2021	As at 31 <sup>st</sup> March, 2020
<b>EQUITY INVESTMENTS:</b>		
<i>Measured at fair value through profit or loss (FVTPL):</i>		
Equity Investments in Other Entities	-	-
<i>Measured at Cost:</i>		
i) Investments in Equity Instruments of Subsidiaries, Associates	2,94,65,13,492	2,94,65,13,492
ii) Investment in Equity Instruments of Other Entities	10	10
<i>Measured at fair value through other comprehensive income (OCI)</i>		
Equity Investments in Other Entities	-	-

**Financial liabilities:**

Amount in ₹

Particulars	As at 31 <sup>st</sup> March, 2021	As at 31 <sup>st</sup> March, 2020
<i>Measured at amortized cost:</i>		
Financial Liabilities i.e., Debentures/Borrowings	1,52,92,97,265	1,52,92,97,265

**A. Fair value hierarchy**

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the Asset or Liability.

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as of 31<sup>st</sup> March, 2021:

Amount in ₹

Particulars	As at 31 <sup>st</sup> March, 2021	As at 31 <sup>st</sup> March, 2020
Equity Investments –Unquoted	-	-

**17.14 Financial risk management objectives and policies**

The Company's activities expose it to a variety of financial risks like market risk, credit risk and liquidity risks. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

**(a) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk, includes loans and borrowings.

**(i). Interest rate risk**

Majority of the Non-current (Long Term) borrowings of the Company bear fixed interest rate with coupon returns fixed, thus interest rate risk is limited for the Company.

**(ii). Foreign Currency Risk:**

The company has no foreign currency exposures. Hence, there is no foreign currency risk.

**(iii). Equity Price Risks:**

Majority of the Company's investments are made into non-listed equity securities. Since there is no exposure into listed equity investments, the changes of equity securities price would not have a material effect on the profit or loss of the Company.

**(b) Credit risk management**

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit risks arise from company's activities in investments. The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. During the FY2020-21, the company has provided expected credit loss as detailed below:

S.no	Name of the Company	Nature of Amount	Amount in ₹	Provision for Credit loss Amount in ₹
1.	Jinbhuvish Power Generation Private Limited	Share Application Money Given Pending for Allotment	15,64,67,323	7,77,28,214
2.	Jinbhuvish Powertech Private Limited	Advance for Purchase of Equity Shares	10,00,00,000	5,00,00,000

**(c) Liquidity Risk:**

Liquidity Risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's management and finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by the senior management.

The following are the details regarding contractual maturities of significant financial liabilities:

**a) As at 31<sup>st</sup> March, 2021**

## 17.15 Compound Financial Instruments

In case of compound financial instruments, the entity recognizes separately the components of a financial instrument that;

(a) creates a financial liability of the entity, and;

(b) grants an option to the holder of the instrument to convert it into an equity instrument of the entity.

The initial carrying amount of a compound financial instrument is allocated to its equity and liability components, the equity component is assigned the residual amount after deducting from the fair value of the instrument as a whole the amount separately determined for the liability component.

Particulars	Amount in ₹	
	As at 31 <sup>st</sup> March, 2021	As at 31 <sup>st</sup> March, 2020
Compounded financial instruments		
Compulsorily Convertible Debentures (CCDs)		
Liability Component	149,00,47,265	149,00,47,265
Equity Component	91,23,05,959	91,23,05,959

17.16 As per the information available with the Company, there are no Micro, Small and Medium Enterprises to whom the Company owes dues, which are outstanding for more than 45 days as at 31<sup>st</sup> March 2021 (Previous Year – ₹ Nil).

17.17 Deferred Tax Asset has not been recognized by the Company due to absence of virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

17.18 Earnings in Foreign Currency: ₹ Nil. (Previous Year: ₹ Nil)  
Expenditure in Foreign Currency: ₹ Nil. (Previous Year: ₹ Nil)

17.19 During the earlier years, the company had issued 99,25,000 number of 9% OFCD's amounting to ₹9,92,50,000. During the previous year from the proceeds of sale of investment in M/s. Sembcorp Energy India Ltd (SEIL) the company had paid an amount of ₹ 6,00,00,000/- to the debenture holders and as at 31<sup>st</sup> March, 2021 the amount payable to Debenture holders as per the company is ₹6,33,89,775/-. In view of accumulated losses in the company and its inability to realize the entire amount from sale of the investment in SEIL, the company has initiated negotiation/discussion with Debenture holder to settle the final amounts payable to them and as at 31<sup>st</sup> March, 2021 the negotiations are inconclusive.

17.20 The ongoing Covid-19 pandemic, has affected the country and the entire globe, which has contributed to a significant decline in global and local economic activities. The company being a holding company of various power projects has not got effected significantly in view of the lockdown implementation in the Country, however there may be a delay in realization of earnouts or sale of other investments held by the Company. The extent to which the Covid-19 pandemic will impact the company's financials will depend on future developments, which are uncertain.

17.21 The balances under Other Current Assets and Other Non-Current Assets are subject to reconciliation and confirmation.

17.22 Figures have been rounded off to the nearest Rupee.

17.23 Previous year's figures have been regrouped/ reclassified wherever considered necessary to correspond with the current year's classification/disclosure.

INDEPENDENT AUDITORS' REPORT

To the Members of Gayatri Energy Ventures Private Limited

**Report on the Audit of the Consolidated Financial Statements**

**Opinion**

We have audited the accompanying consolidated financial statements of Gayatri Energy Ventures Private Limited (hereinafter referred to as the "Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), its associate which comprise the Consolidated Balance Sheet as at 31<sup>st</sup> March, 2021, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate financial statements and the other financial information of associate company, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at 31<sup>st</sup> March, 2021, and the loss and other comprehensive loss, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

**Emphasis of Matter**

(Note Nos. referred hereunder are with reference to respective notes forming part of consolidated financial statements)

We draw members attention to the following matters:

- (i) As stated in note 19.5, regarding exit agreement entered by the company in respect of investments/advances/share application money made in certain power projects and long pending recovery of the same.
- (ii) As stated in note 19.8, regarding contract advances given which are long pending for recovery.

- (iii) As stated in note 19.19, regarding amount payable to holders of Optionally Fully Convertible Debentures.
- (iv) As stated in note 19.20, which describes the uncertainties and the possible effects of Covid-19 on the operations of the Group.

Our opinion is not modified in respect of the above matters.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Audit Process
<p><b>Carrying Value of Investments in NCC Infrastructure Holdings Limited (NCCIHL)</b></p> <p>The management regularly reviews whether there are any indicators of impairment on unquoted investments made by the company.</p> <p>Accordingly, the management had identified impairment indicators in NCCIHL, associate of the company with an equity investment of ₹ 289,69,35,152/- (Refer Note 19.3 of the Financial Statement).</p> <p>As per Ind AS 36 - 'Impairment of Assets' the standard is applicable to financial assets classified as Associates.</p> <p>In case of NCCIHL, the existence of an impairment indicator is significantly influenced by whether there is an impairment to the underlying investment in infra project made by the said company. This assessment involves significant judgment especially in relation to determination of expected future economic benefits.</p> <p>Accordingly, the evaluation of impairment of investments in NCCIHL was determined to be a key audit matter</p>	<p>Obtained and read the financial statements of NCCIHL to identify if any disclosure is made for impairment of assets in its standalone financial statements.</p> <p>Obtained the details of Risk assessment conducted by the management.</p> <p>We have obtained the management's understanding with regard to impairment of the investments made in loss making associate company.</p>

#### Information Other than the Consolidated Financial Statements and Auditor's Report Thereon:

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and analysis, Boards Report including annexures to Board's Report, Business responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially

inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Responsibilities of Management and those Charged with Governance for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive loss, consolidated changes in equity and consolidated cash flows of the Group including its associate in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are also responsible for overseeing the Company's financial reporting process of the Group and its associate.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company and its subsidiary company, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements / financial information of the entities within the Group and its associate to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entity / entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit conducted by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in: (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

We did not audit the financial statements of one associate in which the share of Group's loss of ₹6,92,73,404/- included in consolidated financial statements. This financial statements / financial information has been audited by other auditor whose audit report have been furnished to us by the management and our opinion on the consolidated financial statements in so far as it relates to the amounts and disclosures included in respect of the associate and our report in terms of subsection (3) and (11) of section 143 of the Act, in so far as it relates to the associate, is solely based on such reports of the other auditors.

Our Opinion on the consolidated financial statements, and our report on other legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of other auditor and financial statements

#### **Report on Other Legal and Regulatory Requirements**

- 1) As required by Section 143(3) of the Act, we report to the extent applicable:
  - a) We have sought and obtained all the information and explanation, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
  - b) In our opinion, proper books of account, as required by law have been kept by the Company so far as it appears from our examination of those books and the reports of the other auditors.
  - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other Comprehensive Loss), the Consolidated Statement of Changes in Equity and the Consolidated statement of Cash Flow dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March, 2021 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary and associate company incorporated in India, none of the directors of the group and its associate are disqualified as on 31<sup>st</sup> March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and its associate incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the holding company, subsidiary company, associate company and joint ventures. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on its financial position.
  - ii. The Group and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There are no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group and its associate.

## **Annexure - A to the Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

#### **Opinion**

In conjunction with our audit of the consolidated financial statements of Gayatri Energy Ventures Private Limited ("the Holding Company") as of 31<sup>st</sup> March, 2021, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies, as of that date.

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary company and its associate company, have, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31<sup>st</sup> March, 2021, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

#### **Management's Responsibility for Internal Financial Controls**

The respective company's management and the Board of Directors of the Group and its associate are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the

assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred in the other matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to one associate companies, which is company incorporated in India, is based on the corresponding report of the auditor of that associate company.

Our opinion is not modified in respect of this matter.

## **Note 1: Corporate information and Significant accounting policies**

### **Corporate information**

Gayatri Energy Ventures Private Limited is Private Company domiciled in India and incorporated under the provisions of the Companies Act, 1956, to invest in power projects/ power companies and enter into joint ventures by way of subscription to the shares, to carry on in India or elsewhere, the business to generate, receive, produce, improve, buy, sell, resell, to deal in electric power.

### **Significant accounting policies**

#### **a) Compliance with Ind AS**

The Group's Consolidated Financial statements have been prepared to comply with generally accepted accounting principles in accordance with the Indian Accounting Standards (herein after referred to as "Ind AS") as notified by the Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ("the Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules 2015 and Companies (Indian Accounting Standards) Amendments rules 2016.

#### **b) Basis of Preparation and Presentation of Financial Statements**

The financial statements are prepared on accrual basis following the historical cost convention except in case of certain financial instruments which are measured at fair values. The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed under Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Indian Accounting Standard (Ind AS) - 7 on "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with other notes required to be disclosed under the notified Ind AS and the Listing Agreement. Further, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable. Accounting Policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy used previously.

Fair value for measurement adopted in these financial statements is determined on such a basis, except leasing transactions that are within the scope of Ind AS 17, Net Realizable value as per Ind AS 2 or value in use as per Ind AS 36. Fair value measurements under Ind AS are categorized as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

### **c) Principles of Consolidation**

The consolidated financial statements have been prepared on the following basis:

#### **i. Investments in Subsidiaries:**

The Financial Statements of the Company and its subsidiary companies have been consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses as per Indian Accounting Standard - 110 "Consolidated Financial Statements" issued by Institute of Chartered Accountants of India

#### **ii. Investments in Associates:**

Investments in associate companies have been accounted for, by using equity method prescribed in Indian Accounting Standard - 28 "Accounting for Investments in Associates in Consolidated Financial Statements", whereby investment is initially recorded at cost and the carrying amount is adjusted thereafter for post-acquisition change in the Company's share of net assets of the associate. The carrying amount of investment in associate companies is reduced to recognize any decline which is other than temporary in nature and such determination of decline in value, if any, is made for each investment individually. The unrealized profits/losses on transactions with associate companies are eliminated by reducing the carrying amount of investment.

### **d) Use of Estimates**

The preparation of financial statements in conformity with Ind AS requires the management of the Group to make estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as on the date of the financial statements. Actual results may differ from these estimates. The Group evaluates these estimations and assumptions on a continuous basis based on the historical experience and other factors including expectation of future events believed to be reasonable. Examples of such estimates include the useful lives of tangible and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, estimation of costs as a proportion to the total costs, etc., Difference, if any, between the actual results and estimates is recognized in the period in which the results are known/ materialized. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, are disclosed in the notes to accounts.

Information regarding assumptions and estimations in applying these accounting policies that have an effect to the carrying amount of the assets and liabilities are included in the following notes

### **e) Revenue Recognition**

#### **i. Revenue from Operations:**

Revenue from operations includes profit on sale of investments.

**ii. Other Income**

Interest income is accounted on accrual basis as per applicable interest rates and on time proportion basis taking into account the amount outstanding.

**f) Property, Plant and Equipment**

Property, Plant and Equipment are stated at cost of acquisition, less accumulated depreciation thereon. Expenditure which are capital in nature are capitalized at cost, which comprise of purchase price (net of rebates and discounts), import duties, levies, financing costs and all other expenditure directly attributable to bringing the asset to its working condition for its intended use.

Any gain/loss on the disposal of the Property, Plant and Equipment is recognized in the Statement of Profit & Loss and is determined as the difference between the sales proceeds and the carrying amount of the asset.

**g) Capital work in progress**

Property, Plant and Equipment which are purchased but not yet installed and not ready for their intended use on the date of balance sheet are disclosed as "Capital Work-in-Progress". Cost of materials used in the process of erection/installation of an asset but not yet completed as on the reporting date are also disclosed as "Capital Work-in-Progress".

**h) Depreciation and amortization**

In respect of Property, Plant and Equipment (other than Land and Capital Work in Progress), depreciation / amortization is charged on a straight-line basis over the useful lives as specified in Schedule II to the Companies Act 2013.

Assets individually costing ₹5,000/- or less and temporary structures are fully depreciated in the year of acquisition.

The residual values and useful lives are reviewed at the end of the reporting period.

**i) Impairment of Non-Financial Assets**

At each Balance Sheet date, the Group assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognized in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Group determines the recoverable amount and impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

In case of an individual asset, at the higher of the assets' fair value less cost to sell and Value in Use; and

In case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and Value in Use.

*In assessing Value in Use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified with the asset. In determining fair value less cost to sell, recent market transactions are taken into account. If no such transaction can be identified, an appropriate valuation model is used.*

*Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to Other Comprehensive Income (OCI). For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation. When the Group considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through the Statement of Profit and Loss.*

#### ***j) Financial Instruments***

*Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial Assets and Financial Liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets and Financial Liabilities (other than Financial Assets and Financial Liabilities at fair value through profit or loss) are added to or deducted from the fair value of the Financial Assets or Financial Liabilities, as appropriate, on initial recognition.*

#### ***k) Financial Assets***

*Financial Asset is any Asset that is -*

*(a) Cash*

*(b) Equity Instrument of another Entity,*

*(c) Contractual right to -*

*i) receive Cash / another Financial Asset from another Entity, or*

*ii) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.*

*Investment in Equity Shares issued by Subsidiary, Associate are carried at cost less impairment.*

*A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.*

*A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments, other than those stated above, which are classified as equity instruments to*

present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments other than those stated above, the subsequent changes in fair value are recognized in other comprehensive income.

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

#### ***l) Impairment of Financial Assets***

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the Statement of Profit and Loss.

#### ***m) Financial Liabilities***

Financial liabilities are recognized at fair value net of transaction costs and are subsequently held at amortized cost using the effective interest rate method.

Financial liabilities carried at fair value through profit and loss are measured at fair value with changes in fair value recognized in the Statement of profit and loss.

In case of compound financial instruments, the entity recognises separately the components of a financial instrument that (a) create a financial liability for the entity and (b) grants an option to the holder of the instrument to convert it into an equity instrument of the entity.

The initial carrying amount of a compound financial instrument is allocated to its equity and liability components, the equity component is assigned with the residual amount after deducting from the fair value of the instrument as a whole, the amount separately determined for the liability component.

Transaction costs that relate to the issue of a compound financial instrument are allocated to the liability and equity components of the instrument in proportion to the allocation of proceeds.

Debentures issued are measured at amortized cost using the effective interest rate method.

*For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.*

***n) De-recognition of Financial Instruments***

*A Financial Asset is derecognized when the right to receive cash flows from the asset has expired or the company has transferred substantially all the risks and rewards or the right to receive the cash flows under a contractual arrangement or has transferred the asset.*

*A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires. In the case where the existing liability is replaced by another liability either from the same lender or otherwise such an exchange is treated as de-recognition of the original liability and recognition of a new liability. Any change in the carrying amount of a liability is recognized in the Statement of Profit and Loss.*

***o) Borrowing Costs***

*General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are those that necessarily take a substantial period of time to get ready for their intended use or sale.*

*Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs that is eligible for capitalisation.*

*Other borrowing costs are expensed in the period in which they are incurred.*

***p) Earnings Per share***

*Basic earnings per equity share is computed by dividing the net profit attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.*

***q) Provisions and Contingent Liabilities***

- i. A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that can be reasonably estimated, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.*
- ii. Contingent Liabilities are present obligations arising from a past event, when it is not probable or the probability is remote that an outflow of resources will be required to settle the obligation and they are not recognized but are disclosed in the notes forming part of the financial statements.*

**r) Taxes**

*Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case, it is recognized in other comprehensive income. The income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted as on the balance sheet date.*

**s) Statement of Cash Flows**

*Statement of Cash Flows is prepared by segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using the indirect method. Under the indirect method, the net profit is adjusted for the effects of:*

- i. transactions of a non-cash nature;*
- ii. any deferrals or accruals of past or future operating cash receipts or payments;*
- iii. items of income or expense associated from investing or financing cash flows; and*
- iv. Cash and cash equivalents (including bank balances) are reflected as such in the Statement of Cash Flows.*

**t) Cash and Cash Equivalents**

*Cash and cash equivalents include cash, bank balances, fixed deposits and margin money deposits.*

**u) Commitments**

*Commitments are future liabilities for contractual expenditure.*

*Commitments are classified and disclosed as follows:*

- i. Estimated amount of contracts remaining to be executed on capital account and not provided for;*
- ii. Uncalled liability on shares and other investments partly paid;*
- iii. Funding related commitment to subsidiary, associate and joint venture companies and*
- iv. Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.*
- v. Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.*

**v) Foreign Currency Transactions and Translation**

*The reporting currency of the Group is Indian Rupee. Foreign Currency Transactions are translated at the functional currency spot rates prevailing on the date of transactions.*

*Monetary assets and current liabilities related to foreign currency transactions remaining unsettled are translated at the functional currency spot rates prevailing on the balance sheet date. The difference in translation of monetary assets and liabilities and realized gains and losses on foreign exchange transactions are recognized in the Statement of Profit and Loss.*

*Non-monetary foreign currency items are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.*

### 19.2 Employee Benefits

The Company has no liability for employee benefits, in accordance with the provisions of Ind AS – 19 “Employee Benefits”. Hence, no provision has been made in the books of accounts.

19.3 During the previous years, pursuant to various agreements entered between the company, Sembcorp Gayatri Power Ltd (SGPL), Sembcorp utilities Pte. Ltd (SUL), Sembcorp Energy India Ltd (SEIL) and NCC Infra Holding Ltd (NCCIHL) (associate company) for the reorganization of SembCorp group’s power portfolio in India to consolidate its beneficial holdings in SGPL, the company had sold its partial investment in NCCIHL to NCC Limited. Further, pursuant to the agreement the company had agreed to sell its remaining shares held in NCCIHL to NCC Limited on a mutually agreed price on receipt of “subsequent tranche letter” from NCC Limited. The company is yet to receive the letter to sale the investment as at 31<sup>st</sup> March, 2021 and hence, the effect of transfer of shares will be recognized on transfer of shares. Further, the company has invested in Equity Shares of ₹2,89,69,35,152/- in the associate company during the previous years and as per the audited financial statements of the associate company, it has been incurring losses during the past few years and accumulated losses have affected the net-worth of NCCIHL. The company has conducted the Risk Assessment of its assets including its investment in NCCIHL. In accordance with the same, the management of the company is of the opinion that no provision is required to be made for the diminution in the carrying value of the equity investments made by the company for the year ended 31<sup>st</sup> March, 2021.

### 19.4 Earnings Per Share

Particulars	Amount in ₹	
	2020-21	2019-20
Net Profit after tax attributable to Equity Share Holders (A)	(13,62,55,132)	(1,18,87,93,826)
Weighted Average number of Equity Shares outstanding (B)	65,24,030	65,24,030
Basic Earnings per Share (A/B)	(20.89)	(182.21)

**Note:** Potential Equity shares on conversion of CCD'S and OFCD'S have been ignored, since it is anti-dilutive in nature.

19.5 During the preceding financial years, the company had made an investment/ advance/ share application money to Jinbhuvish Power Generation Private Limited and Jinbhuvish Powertech Private Limited to set up a coal-based power plant in Maharashtra and as on 31<sup>st</sup> March, 2021 the total amount infused in the form of investment/advance/share application money is ₹5,64,67,323/-. The Company had decided to exit from the said power project and in this regard entered into an Exit Agreement on 25<sup>th</sup> May, 2013, which was subsequently amended by various letter

agreements and as per the latest agreement the company shall exit from the said power project by 31st October, 2021. The management of the company is of the opinion that despite there been a considerable delay in exiting from the power project, there is no need for any provision/impairment to be made and the company shall exit from the investments made and recover the entire amount in the due course.

- 19.6 During the previous financial years, the Company had entered into Master Shareholders agreement with Sembcorp Utilities PTE Ltd (SUPL), Sembcorp Energy India Limited (formerly Thermal Power Corporation India Limited) (SEIL) and Sembcorp Gayatri Power Limited (SGPL). Pursuant to this agreement, the company has an option to exercise the call option of purchasing 5.88% of shareholding of SEIL i.e, 303,330,925 shares. Further during the current year, pursuant to the Share Purchase Agreement entered by the Company with the Sembcorp Utilities Pte. Ltd., the company had sold its entire investment in SEIL. However pursuant to the Share Purchase Agreement, the Company is entitled for earnout on the call option shares and the same shall be payable by the purchaser only upon the occurrence of a Liquidity Event which is no later than 25<sup>th</sup> May, 2022.
- 19.7 Contracts remaining to be executed on capital account as on 31st March, 2021 are ₹90.03 Crores. (Previous Year ₹90.03 Crores).
- 19.8 During the preceding financial years, Bhandara Thermal Power Corporation Limited (BTPCL)(subsidiary company) had given Contract Advance of ₹ 21,55,05,477/- to Indira Energy Holdings Private Limited (the contractor) towards execution of road works at proposed Thermal Power Project site. As the said contract work was not executed due to various factors such as pending coal allotment and non-acquisition of complete proposed project land, etc, the Mobilisation Advance has not been adjusted /recovered. The management of the BTPCL (Subsidiary company)considering the nature of advances and the long pending recovery of the same, had during the previous years provided an Expected Credit Loss (ECL)of ₹10,83,61,168/- and is in the process of estimating if any further ECL/provision is to be made regarding the said Contract Advance
- 19.9 In the absence of profits, the Company has not created Debenture Redemption Reserve as stipulated in the Companies Act, 2013.
- 19.10 **Contingent Liabilities:**

### 19.12 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that they can maximize returns for the shareholders and benefits for other stake holders. The aim is to maintain an optimal capital structure and minimize the cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted). Consistent with other entities in the industry, the Company monitors its capital using the gearing ratio which is total debt divided by total equity.

Particulars	Amount in ₹

Particulars	As at 31 <sup>st</sup> March, 2021	As at 31 <sup>st</sup> March, 2020
Equity Investments –Unquoted	-	-
		(Level -2)

**19.14 Financial risk management objectives and policies**

The Company's activities expose it to a variety of financial risks like market risk, credit risk and liquidity risks. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

**(a) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk, includes loans and borrowings.

**(i). Interest rate risk**

Majority of the Non-current (Long Term) borrowings of the Company bear fixed interest rate with coupon returns fixed, thus interest rate risk is limited for the Company.

**(ii). Foreign Currency Risk:**

The company has no foreign currency exposures. Hence, there is no foreign currency risk.

**(iii). Equity Price Risks:**

Majority of the Company's investments are made into non-listed equity securities. Since there is no exposure into listed equity investments, the changes of equity securities price would not have a material effect on the profit or loss of the Company.

**(b) Credit risk management**

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit risks arise from company's activities in investments. The company has a prudent and conservative process for managing its

credit risk arising in the course of its business activities. During the FY 2020-21, the Group has provided expected credit loss as detailed below:

S.no	Name of the Company	Nature of Amount	Amount in ₹	Provision for Credit loss Amount in ₹
1.	Jinbhuvish Power Generation Private Limited	Share Application Money Given Pending for Allotment	15,64,67,323	7,77,28,214
2.	Jinbhuvish Powertech Private Limited	Advance for Purchase of Equity Shares	10,00,00,000	5,00,00,000
3.	Indira Energy Holdings Private Limited	Contract Advance	21,55,05,477	10,83,61,168
4.	Yanne Power Private Limited	Contract Advance	39,05,503	16,89,416

**(c) Liquidity Risk:**

Liquidity Risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's management and finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by the senior management.

The following are the details regarding contractual maturities of significant financial liabilities:

**a) As at 31<sup>st</sup> March, 2021**

Amount in ₹

Particulars	On Demand	Less than 1 year	2-5 Years	More than 5 Years	Total

Interest Accrued	2,46,20,246	-	-	-	2,46,20,246
<b>Total</b>	<b>12,18,72,394</b>	<b>-</b>	<b>2,40,23,53,224</b>	<b>-</b>	<b>2,52,42,25,618</b>

**19.15 Compound Financial Instruments**

In case of compound financial instruments, the entity recognizes separately the components of a financial instrument that;

(a) creates a financial liability of the entity, and;

(b) grants an option to the holder of the instrument to convert it into an equity instrument of the entity.

The initial carrying amount of a compound financial instrument is allocated to its equity and liability components, the equity component is assigned the residual amount after deducting from the fair value of the instrument as a whole the amount separately determined for the liability component.

Amount in ₹

Particulars	As at 31 <sup>st</sup> March 2021	As at 31 <sup>st</sup> March 2020
Compounded financial instruments Compulsorily Convertible Debentures (CCDs)		
Liability Component	149,00,47,265	149,00,47,265
Equity Component	91,23,05,959	91,23,05,959

- 19.16 As per the information available with the Company, there are no Micro, Small and Medium Enterprises to whom the Company owes dues, which are outstanding for more than 45 days as at 31st March 2021 (Previous Year - ₹Nil).
- 19.17 Deferred Tax Asset has not been recognized by the Company due to absence of virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.
- 19.18 Earnings in Foreign Currency: ₹Nil. (Previous Year: ₹Nil)  
Expenditure in Foreign Currency: ₹Nil. (Previous Year: ₹Nil)
- 19.19 During the previous year the company had issued 99,25,000 number of 9% OFCD's amounting to ₹9,92,50,000. During the current year from the proceeds of sale of investment in M/s. Sembcorp Energy India Ltd (SEIL) the company had paid an amount of ₹ 6,00,00,000/- to the debenture holders and as at balance sheet date the amount payable to Debenture holders as per the company is ₹ 6,33,89,775/-. In view of accumulated losses in the company and its inability to realize the entire amount from sale of the investment in SEIL, the company has initiated negotiation/discussion with Debenture holder to settle the final amounts payable to them and as at balance sheet date the negotiations are inconclusive.
- 19.20 The ongoing Covid-19 pandemic, has affected the country and the entire globe, which has contributed to a significant decline in global and local economic activities. The company being a holding company of various power projects has not got effected significantly in view of the lockdown implementation in the Country, however there may be a delay in realisation of earnouts or sale of other investments held by the Company. The extent to which the Covid-19 pandemic will impact the company's financials will depend on future developments, which are uncertain.
- 19.21 The balance under Other Current Assets and Other Non-Current Assets are subject to reconciliation and confirmation.
- 19.22 Figures have been rounded off to the nearest Rupee.
- 19.23 Previous year's figures have been regrouped/ reclassified wherever considered necessary to correspond with the current year's classification/disclosure.
