**Appreciation Letter for the financial year 2016-17**

Dear Sir,

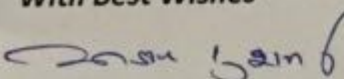

Congratulations!!! I am very glad to inform you that we are ending the financial year 2016-17 with great success. Today, Jhanjra Project Colliery is India's largest producing underground mine. The production target was 25.13 lac tonnes of coal for this financial year out of which we have met the target upto a tune of 97%.

I want to thank each and every member of your team for their outstanding efforts and hard work leading to production of 9, 51, 721 tes and 1, 01, 370 tes of coal from Longwall and Road Header sections respectively in the financial year 2016-17 which is one of the major contributions towards the total production of Jhanjra Project Colliery.

**For the financial year 2017-18 the target for JPC is 30 lac tonnes with Safety and Zero Accident.**

I am confident with your eminent contribution towards production and team work would lead us to the target set before us with all due safety.

*With Best Wishes*

  
Agent, Jhanjra Project Colliery
