Annexure A: Explanatory Statement Pursuant to Section 173(2) of the Companies Act, 1956

Item No. 1:

Given the Company’s future growth plans, the Board of Directors of the Company, (“**Board**” which term shall be deemed to include any committee constituted by the Board or any person(s) authorized by the Board in this regard), considers it necessary to augment the long term resources of the Company by way of issuing securities to eligible investors, subject to an aggregate maximum limit of up to an amount of USD 75 million or equivalent amount in any other currency and further subject to the prevailing market conditions and other relevant considerations.

The Board intends to deploy the net proceeds from the issue of the above mentioned securities for funding any one or more of the following: (i) capital expenditure, (ii) general corporate purpose, (iii) strategic acquisitions, (iv) reduction/restructuring of debt, and/or, (v) consolidation of the ownership of our subsidiaries, as may be permitted by applicable statutory and regulatory parameters from time to time.

The proposed resolutions will authorize the Board to offer, issue, and allot Securities, (including equity shares), and/or instruments or securities convertible into equity shares of the Company such as foreign currency convertible bonds, global depository receipts and/or American depository receipts and/or convertible preference shares and/or convertible debentures or bonds (compulsorily and/or optionally, fully and/or partly), and/or non-convertible debentures with warrants and/or securities with or without detachable/non-detachable warrants and/or warrants with a right exercisable by the warrant holder to subscribe for equity shares, in any combination as the Board deems fit.

Under the provisions of Section 81 (1A) of the Companies Act 1956, whenever at any time after the expiry of two years from the formation of a company or at any time after the expiry of one year from the allotment of shares in that company made for the first time after its formation, whichever is earlier, if it is proposed to increase the subscribed capital of the Company by allotment of further shares, such further shares may be offered to any persons, whether or not those persons are at the

date of the offer holders of the equity shares of the Company, if a special resolution to that effect is passed by the Company in its general meeting.

The proposed resolutions would also permit the Company, in case of any issuance of equity shares pursuant to a rights offering or a bonus offering, to (i) reserve equity shares pursuant to such proposed rights offering or bonus offering, ("**Reserved Equity Shares**"), for holders of any outstanding debt instruments compulsorily convertible into equity shares of the Company, pro-rata to the convertible portion thereof, on the same terms on which the equity shares are offered in the rights offering or the bonus offering, as the case may be, and, (ii) offer, issue and allot the Reserved Equity Shares to such holders of outstanding debt instruments compulsorily convertible into equity shares, subject however to applicable statutory, regulatory and/or contractual requirements, as is required by the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, and Section 81(1A) of the Companies Act, 1956.

The Board recommends the resolution for approval of the members of the Company.

None of the Directors of the Company is concerned or interested in this resolution except to the extent of their shareholding in the Company, if any.

Item No. 2:

In terms of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000, and the Consolidated FDI Policy of the Government of India, Foreign Institutional Investors ("**FII**s")/SEBI approved sub-account of FIIs can, in aggregate, hold upto 24% of paid-up equity capital of an Indian company. The aforesaid regulatory requirements further provide that the limit of 24% may be increased upto the sectoral cap/statutory ceiling, as applicable, by the Indian company concerned by passing a resolution by its Board of Directors followed by passing of a special resolution to that effect by its general body, subject to prior intimation to the Reserve Bank of India. Keeping in view the proposed raising of funds by the Company, the interest of the FIIs in the shares of your Company and the inherent advantage thereof to the members at large, the Board of Director have, at their meeting held on 30.05.2012, decided to increase the limit of FIIs' holding from 13.23 % to the aggregate prescribed sectoral limits in connection with ownership of shares by persons resident outside India as applicable to the Company, subject to the requisite approval of the members. Hence, the proposed resolution.

The Resolution set out at Item No. 3 of the Notice will also enable the FIIs to acquire shares of the Company through Stock Exchanges within the collective revised ceiling under the Portfolio Investment Scheme of the Reserve Bank of India and under the Foreign Direct Investment route.

Item No. 3:

The Board of Directors of the Company, ("**Board**"), has at its meeting held on 30.05.2012, passed a resolution in connection with the proposed restructuring of the JPY 2757.481 million outstanding foreign currency convertible bonds of the Company, ("**Outstanding FCCBs**"), by amending the terms and conditions thereof, and/or by issuing new foreign currency convertible bonds to replace the Outstanding FCCBs by way of an exchange offer, up to an amount of JPY2757.481million, on the terms and conditions as deemed appropriate by the Board.

The proposed resolutions will authorize the Board to restructure the Outstanding FCCBs in a manner which is in the Boards discretion, beneficial to the Company.

Under the provisions of Section 81 (1A) of the Companies Act 1956, whenever at any time after the expiry of two years from the formation of a company or at any time after the expiry of one year from the allotment of shares in that company made for the first time after its formation, whichever is earlier, if it is proposed to increase the subscribed capital of the Company by allotment of further shares, (such as shares which may have to be allotted in connection with the conversion of any fresh foreign currency convertible bonds that may be issued by the Company pursuant to the above mentioned restructuring), such further shares may be offered to any persons, whether or not those persons are at the date of the offer holders of the equity shares of the Company, if a special resolution to that effect is passed by the Company in its general meeting.

The Board recommends the resolution for approval of the members of the Company.

None of the Directors of the Company is concerned or interested in this resolution except to the extent of their shareholding in the Company, if any.
