Notes to Un-Audited Standalone Financial Results:

1. The above published un-audited standalone financial results for the quarter ended 30th June 2023 have been prepared in accordance with the principles and procedures as set out in Ind AS on financial statements and such other applicable standards as notified under section 133 of the Companies Act, 2013 and Companies (Indian Accounting Standard) Rules 2015, as amended.
2. The above un-audited standalone financial results for the quarter ended 30th June 2023 have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on 24th December 2025.
3. The Company's Operations primarily consist of Construction activities and there are no other reportable segments.
4. During the Financial year 2022-23, Corporate Insolvency Resolution process ("CIRP") was initiated against the company w.e.f 15th November 2022 as per the order of the Hon'ble National Company Law Tribunal ("the NCLT"), Hyderabad Bench. Pursuant to the initiation of CIRP, the powers of the directors are suspended and the management of the affairs of the Company is vested with the Interim Resolution Professional / Resolution Professional appointed by the Hon'ble NCLT, Hyderabad Bench.
Subsequently, During the CIRP period, the promoters of the company have submitted a One-time full & final debt settlement (OTS) proposal with the lenders of the company and other lenders comprising a fund-based offer of ₹ 750.00 crore and non-fund-based recovery of ₹ 1,229.00 crores. In addition, the promoters have offered payment towards awarded arbitration claims amounting to ₹ 462.39 crore (representing 75% of the total ₹ 612 crore), along with 15% of any future arbitration awards payable until the return/closure of all Bank Guarantees or 31st March, 2033, whichever is later. The payment against arbitration claims shall be made subject to realization, as and when such amounts are received. The OTS proposal was accepted by 97.20% COC members (lenders) and thereafter, the application filed under section 12A of the Insolvency and Bankruptcy Code, 2016 has been approved by the Hon'ble NCLT on 10th September 2025, as the Company Petition IB/308/HDB/2022 under Section 7 is allowed to be withdrawn. Accordingly, the CIRP against the company is also withdrawn.
Following the NCLT order, the management affairs of the company are vested back to the promoters of the company w.e.f. 16th September, 2025 i.e. date of handover of the Management affairs of the company by the Resolution Professional to the current promoter/directors of the company. As on date of these un-audited standalone financial results, the company has paid the total fund-based amount, which has been appropriated by all lenders as per the terms of the OTS proposal submitted under section 12A of the IBC.
5. The Company has an investment in Gayatri Hi-tech Hotels Limited ("Investee Company") amounting to ₹ 19,571.95 lakhs as at 30th June 2023, in the form of 4% Compulsorily Convertible Cumulative Preferential Shares ("CCPS") which is convertible into equity shares of the investee company during the financial year 2027-28. As per the audited financials of the said investee company as on 31st March 2024, during the FY 2023-24 the investee company has incurred substantial losses on account of recognition of outstanding interest dues as per the Amended Debenture Trust Deed, and there is a complete erosion in net worth of the investee company. However, as per the unaudited financials of the said investee company for the period ended as on 30th September 2025 and further as per the information available with the company, the business operations of the investee company have substantially improved, the net-worth of the investee company has turned positive and investee company is able to meet its financial obligations independently. In view of the above and also based on the managements internal evaluations/assessments done on the investment and also the fact that the CCPS are convertible into equity shares of the investee company during the financial year 2027-28 which is a long period for realization of the investment or to analyze the actual investment value, the company has opined that no provision for diminution / impairment for carrying value of the investment is required in the un-audited standalone financial results for the quarter ended 30th June 2023.

6. Gayatri Highways Limited, an associate company in which the company made investments during the previous financial years and the balance of these investments as at 30th June 2023 are ₹ 16,770.03 Lakhs in the form of Non-Convertible Preference Shares ('NCPS'), Equity Share Capital investment ₹ 1,248.00 Lakhs, subordinate debt ₹ 17,967.01 Lakhs and unsecured loan ₹ 7,858.37 lakhs. As stated in the audited financial statements of the Associate Company, it has been incurring operating losses during the past few years. However, the financial statements of the said associate company have been prepared on a going concern basis as the promoters of the associate company have guaranteed support to the company and its management believes that its investments in several road projects will generate sufficient cash flows to support the company in foreseeable future. As per the representations and explanations given by the management of the associate company till the F.Y 2021-22, the said associate company is holding portfolio in several road projects and further they had stated that the future cash flows of the said associate company from the road projects on account of various claims filed, annuities, Toll collections receivable, and arbitration awards awarded will be sufficient to repay the amounts invested/advanced to the associate company and hence, no provision was made in respect of NCPS investments made by the company and unsecured loan/subordinate debt receivable by the company from the said associate till the year ended 31st March, 2022.

Upon initiation of CIRP against the company as stated in Note No. 4 above, the management of the affairs of the Company is vested with the Interim Resolution Professional / Resolution Professional appointed by the Hon'ble NCLT during the financial year 2022-23. During the course of CIRP, the Resolution Professional (RP) on behalf of the company had sent a demand notice to the associate company asking them to repay the entire unsecured loan and sub-ordinate debt. In response to such notice, the associate company has confirmed that the amounts due to the company are towards preference shares of ₹ 16,770.03 lakhs and unsecured loans as at 31st March, 2023, but surprisingly, the associate company had stated that during the financial year 2022-23 it has written-off an amount of ₹ 17,967.01 Lakhs being the subordinate debt payable to the company citing the reason that the subordinate debt was given by the company to the associate company towards funding of shortfalls in two major road projects i.e., SMTL and IDTL, and as the said road projects owned by SMTL and IDTL have incurred significant losses and were terminated by NHAI and on account of this, the associate company has incurred significant losses which cannot be recovered in future and accordingly, the associate company has unilaterally written off the subordinate amount of ₹ 17,967.01 Lakhs deeming the same as no longer payable to the company as there will be no surplus cash flows to the associate company from the said road projects. As per the information available with the company, the resolution professional has neither responded nor taken proper recourse to recover the sub-ordinate debt receivable from the said associate company. In these circumstances, as stated in Note No. 4 above, the One Time Debt Settlement proposal was accepted and the management affairs of the company are vested back with the promoters of the company w.e.f. 16th September, 2025. The management of the company has corresponded with the associate company asking the associate company to confirm on the outstanding subordinate debt payable to the company and in response to such letter, GHL vide its letter dated 29th November 2025 has stated that the amount are no longer payable to the company citing the reason that the subordinate debt was given by the company to the associate company towards funding of shortfalls in two major road projects i.e., SMTL and IDTL, and as the said road projects owned by SMTL and IDTL have incurred significant losses and were terminated by NHAI and on account of this, the associate company has incurred significant losses which cannot be recovered in future. The company is in the process of deciding the future steps to be taken against the associate company in order to recover its dues. As per the information made available to the company, the associate company may receive the claims awards in its favour and substantial amounts from sale of investments held by the associate company and the same shall be utilized to repay the amounts due to the company. However, based on the prudence concept of accounting and the fact that the subordinate debt of ₹ 17,967.01 Lakhs has been already being unilaterally written off by the associate company in the financial year 2022-23 as not payable to the company, the management of the company had made a provision in respect of subordinate debt of ₹ 17,967.01 lakhs and accordingly this provision was disclosed as an exceptional item (Net of Expected Credit Loss) in the Standalone Audited Financial Statements for the year ended 31st March, 2023. It is further viewed that if this amount is recovered in future years, the same shall be accounted in the year of recovery in the books of account and in the financial statements. Further, as on date of these results GHL has paid an amount of ₹ 2,962.16 Lakhs against the unsecured loan and accordingly, the management of the company is of the view that remaining dues receivable in the form of NCPS and unsecured loan are fully recoverable and hence, no provision is required to be made in the Un-Audited Standalone Financial Results for the quarter ended 30th June 2023 for

the NCPS investments made by the company and unsecured loan receivable by the company from the said associate company.

7. During the previous financial years, in the ordinary course of business, the Company had given Contract Advances to a sub-contractor which on mutual consent was converted into an interest-bearing inter-corporate loan. The said Inter corporate loan of ₹ 18,676.14 Lakhs and interest thereon of ₹ 24,252.04 Lakhs is pending for recovery as at 30th June 2023. The recovery of this loan along with interest thereon is delayed due to extraneous reasons like changes in government policies, delays in execution of projects, etc. In the preceding financial years, the company had recovered considerable amounts from the said subcontractor against the loan and the same was adjusted to the principal amount of the Inter corporate loan. In order to expedite the recovery of the balance amounts during the preceding Financial Years, the said subcontractor had given an undertaking to the company, wherein they had agreed to assign proceeds from sale of immovable properties to the company for repayment of the Intercorporate loan and interest thereon. During the financial year 2022-23, the Resolution professional (RP) had issued a notice to the said subcontractor asking them to pay the entire amounts along with interest immediately. In response to such notice, the Sub-contractor had reiterated their commitments to pay the entire due at the earliest and as committed by them, said sub-contractor has paid an amount of ₹ 9,826.75 Lakhs during the FY 2023-24 & FY 2024-25. In view of the above, the management of the company is of the view that no provision for the same is required to be made in the Un-Audited Standalone Financial Results for the quarter ended 30th June 2023.

8. One of the subsidiaries of the associate company (hereinafter called as "concessionaire company" or Sai Matarani Tollways Limited "SMTL"), which has been awarded a Build-Operate-Transfer (BOT) work for the construction of Four Laning of Panikoili-Rimuli section of NH-215 Road. The company has an EPC receivable of ₹ 23,715.65 Lakhs from M/s. Sai Matarani Tollways Limited "SMTL" as at 30th June 2023. Additionally, the company had given an irrevocable and unconditional Corporate Guarantee of ₹ 182,735 Lakhs to the lenders of SMTL. SMTL had given termination notice to the National Highways Authority of India (NHAI) due to irreparable loss of toll revenue from the road project and requested for termination payment of ₹ 229,667 Lakhs. Apart from the above-said termination payment, it had filed claims including EPC claims with the NHAI under Concessionaire's right to recover losses/ damages from the Authority on account of material default of the Authority. SMTL Road Project was terminated by the NHAI on 28th January, 2020 and toll collection rights were handed over to the NHAI from 30th January, 2020. SMTL had requested the NHAI for referring the disputes such as Termination Payment and Claims to the Conciliation Committee of Independent Experts ("CCIE") as per NHAI policy. The CCIE has suggested that there should be a give and take policy for both parties SMTL and accordingly, the termination payment was finalized to ₹ 79,650 Lakhs by NHAI. SMTL has requested its lenders to accept the above-said payment of ₹ 79,650 Lakhs towards full and final settlement of all existing past and future dues etc. Upon acceptance of the above stated proposal, the said lenders shall waive all future claims against SMTL and its guarantors including corporate guarantor i.e., Gayatri Projects Limited and drop all legal proceedings. In addition to above termination payment finalized by NHAI which will be utilized for payment of lenders dues, SMTL had filed EPC claims before NHAI and the amount of claim is ₹ 974.49 crores as per initial assessment before CCIE. The management of the SMTL was confident of getting claims from NHAI and assured to repay entire dues to the company till 31/03/2022. In these circumstances, during the Financial year 2022-23, the management of the company had informed its board that as a part of SMTL settlement with its lenders and for release of Corporate guarantee given by the company to the lenders of SMTL, the company was directed to waive its EPC receivable of ₹ 23,715.65 Lakhs from SMTL which was considered by the board of the company in its board meeting but the same was subject to approval of the consortium of the lenders of the Company. Subsequently, CIRP proceedings were initiated against the company and during the CIRP, the resolution professional of the company had written a letter to SMTL asking them to pay the EPC dues immediately. In response to the letter, SMTL had responded stating that there were shortfalls in the EPC executed by the company which all led to termination of Toll project by NHAI and the same had ultimately caused huge loss to the SMTL and accordingly SMTL had stated that the amounts are no longer payable and had written off the same during the financial year 2022-23. As per the information available with the company, the RP has neither responded to the letter received from SMTL nor taken proper recourse to recover the EPC receivable from SMTL. Subsequently, as per the information available with the company during the FY 2022-23, based on the settlement agreement between NHAI and SMTL, the EPC claim

amount receivable from NHAI was settled to ₹ 171.53 crores as against initial claim assessment before CCIE of ₹ 974.49 crores and further, this claim amount of ₹ 171.53 crores was recovered /adjusted by the lenders of SMTL over and above the agreed settlement amount of ₹ 79,650 Lakhs. Subsequently, SMTL was admitted into CIRP as per the application filed by its lenders before the Hon'ble NCLT. In view of the above matters, during the financial year 2022-23 the company has made a full provision for bad and doubtful debts against the EPC receivable. However, no provision is required to be made in respect of corporate guarantee given by the company to the lenders of SMTL for the detailed reasons explained in Note No. 9b below.

9. Details of claims filed by the lenders in respect of Bank guarantees (BGs) and Corporate Guarantees, amount of claims filed and admitted by the Resolution Professional during the CIRP period of the company and status of the same as on 30th June 2023: -
 - a. During the course of the CIRP, the lenders have filed claims before the resolution professional in respect of Bank guarantees (BGs) given by the company towards Performance and Contractual commitments despite the fact that these BGs were not invoked by the BG beneficiary / holder. The Resolution professional has admitted the claims in respect of these BGs though the liability is not established in this case. As the BGs were not invoked and liability is not established in respect of these claims pertaining to BGs, the same cannot be disclosed under borrowings or loans and hence the same is disclosed as contingent liabilities amounting to ₹ 71,271.60 Lakhs in the un-audited standalone Financial Results for the quarter ending 30th June 2023. In respect of the above contingent liabilities the promoters of the company have submitted a One-time full & final debt settlement (OTS) proposal with the lenders. The OTS proposal was accepted by 97.20% COC members (lenders) and thereafter, the application filed under section 12A of the Insolvency and Bankruptcy Code, 2016 has been approved by the Hon'ble NCLT as the Company Petition IB/308/HDB/2022 under Section 7 is allowed to be withdrawn. Accordingly, the CIRP against the company is also withdrawn. As per the said OTS proposal the company has to safeguard un-invoked Bank guarantees given towards performance and contractual commitments
 - b. Details of claims filed by the lenders in respect of Corporate Guarantees given by the company and the details as on 30th June 2023 are as follows:-
 - i. During the course of the CIRP, the lenders of the associate company have filed claims of Rs. 6,800.00 lakhs in respect of the corporate guarantee given by the company and the same was admitted by the resolution professional even though the corporate guarantee was not invoked and the liability is not established and hence the same is disclosed as a contingent liability in the un-audited standalone Financial Results for the quarter ending 30th June 2023.
 - ii. During the course of the CIRP, the lenders of SMTL have filed claims before the Resolution professional for an amount of ₹ 2,15,018.00 Lakhs which was admitted by the Resolution professional even though the corporate guarantee was not invoked by the lenders of SMTL and the liability is not established. However, the company as approved in its board meeting, has given corporate guarantee for ₹ 1,82,735.00 Lakhs only and accordingly, ₹ 1,82,735.00 Lakhs only is disclosed as a contingent liability in the un-audited standalone Financial Results for the quarter ending 30th June 2023.
 - iii. During the course of the CIRP, the Lenders of IDTL have filed claims before the Resolution Professional (RP) amounting to ₹ 60,068.00 Lakhs which was admitted by the Resolution professional even though the corporate guarantee was not invoked by the lenders of IDTL and the liability is not established and hence the same is disclosed as a contingent liability in the un-audited standalone Financial Results for the quarter ending 30th June 2023.

In respect of the above corporate guarantee which are disclosed as contingent liabilities the promoters of the company have submitted One time full & final debt settlement (OTS) proposal with the lenders including above stated CGs & BGs holders / lenders. The OTS proposal was accepted by 97.20% COC members (lenders) and thereafter, the application filed under section 12A of the Insolvency and Bankruptcy Code, 2016 has been approved by the Hon'ble NCLT as the Company Petition IB/308/HDB/2022 under Section 7 is allowed to be withdrawn. Accordingly, the CIRP against the company is also withdrawn. As per the aforesaid OTS proposal an amount of ₹ 500 lakhs is assigned against the above stated CGs holders and the impact of the same shall be recognized in the financial statements during the financial year 2025-26 or subsequent years in which the payment is made. Accordingly, in the opinion of the management, in view of the above settlement for ₹ 500 lakhs for CG holders which will be accounted in subsequent years upon payment, the

accounting of admitted claims as loans / borrowings in the books is not required in the un-audited standalone Financial Results for the quarter ending 30th June 2023.

10. An amount of ₹ 3,620.49 Lakhs as on 30th June 2023 is receivable from M/s Western UP Tollways Limited ('Erstwhile Associate Company or WUTPL') operating Meerut and Muzaffarnagar Section of NH-58 Road on BOT basis against the EPC works executed by the company during the previous years and the amounts shall be recovered out of claims amounts received by the erstwhile associate company from NHAI. During the previous financial years, the Arbitration Tribunal has pronounced arbitration award of ₹ 12,443.03 Lakhs which includes interest thereon of ₹ 6,405.00 Lakhs and extension of concession period by 348 days. In order to avoid future disputes and litigations in higher courts, at the request of the M/s. Western UP Tollways Limited, the above awarded claims and the termination payment have been referred to the Conciliation Committee of Independent Experts ("CCIE") as per NHAI policy. During the course of CIRP of the company, the CCIE has arrived a final settlement amount of ₹ 9,850.00 Lakhs and the same was accepted by the company for which the Resolution Professional on behalf of the company has entered into a settlement agreement with NHAI, GHL, and WUTPL, wherein the Resolution Professional of the company had accepted an amount of ₹ 1,133.08 Lakhs, as full and final settlement against its receivables and the same was paid by NHAI on 27/08/2024 during the course of CIRP. Accordingly, the impact of the same shall be recognized in the financial year 2024-25.
11. The Advances to Suppliers, Sub-contractors and others as at 30th June 2023, includes an amount of ₹ 14,722.65 Lakhs given to one sub-contractor in the normal course of business during previous years. The recovery of this advance is delayed due to certain extraneous factors not attributable to the subcontractor. During the previous financial years, the company had recovered ₹ 18,000.00 Lakhs from the sub-contractor. However, for the conditions stated in note no. 14 below and the company got admitted into CIRP, the contract works awarded to the company got transferred or cancelled by the contractees and in this process, the works awarded to the company which were allotted to this sub-contractor also got cancelled and due to the same the company anticipates a delay in recovery of amounts from the said subcontractor. In view of the delayed recovery, in order to comply with the Accounting Standards requirement, the company has till date provided an expected credit loss of ₹ 5,936.81 Lakhs. The management of the company is in the process of corresponding with the sub-contractor and evaluating the effect of cancellation of work the company and sub-contractor and analyzing the possibility to make claims in this regard in order to recover the dues at the earliest in the best interest of the business operations of the company.
12. Gayatri Energy Ventures Private Limited (GEVPL), a wholly owned subsidiary company incorporated for the purpose of investment in power projects, in which the Company had invested Equity Share Capital of ₹ 63,983.28 Lakhs and also funded as and when required in the form of unsecured loan, the balance loan as at 30th June 2023 is ₹ 3,691.53 Lakhs (including BG encashment of ₹ 2421.00 Lakhs). During the previous financial year, the bank guarantee given by the company in favour of western Coalfields Limited (WCL) for ₹ 2,421.00 Lakhs on behalf of Jinbhuvish Power Generation Private Limited (JPGPL) was arbitrarily, illegally invoked and en-cashed by WCL. As against this illegal encashment of the bank guarantee, the company has taken necessary legal recourse against WCL at the appropriate Hon'ble Court which is pending for disposal. The company is confident of recovering this BG amounts based on legal opinion and merits of the matter. During the previous financial year, the subsidiary company has incurred a loss of ₹ 7,204.35 Lakhs, on account of impairments of its assets/receivables. Additionally, the step-down subsidiary of the company i.e. Bhandara Thermal Power corporation limited (BTPCL) has received SARFAESI notices from the lenders of GPL as the land held by BTPCL was given as a collateral for the loans taken by GPL and as per the information available with the company, during the financial year 2025-26, the said lenders have sold the land and recovered dues of GPL. As at 30th June 2023, the subsidiary company is entitled for earnouts on occurrence of liquidity event in SEIL Energy India Limited (SEIL) pursuant to the "Share Purchase Agreement" entered for the sale of the investment. In view of the above, the management of the company is of the opinion that the company shall recover the BG amount en-cashed by WCL and further the earn out amounts from SEIL are sufficient to cover the erosion in net-worth of GEVPL and accordingly, no impairment on its investment made in GEVPL is required to be made in the Un-audited Standalone Financial Results for the quarter ended 30th June 2023.

13. The recovery of work and other advances and receivables from one subcontractor got delayed due to mismatch in cash flows of the sub-contractor and non-extension of adequate financial facilities. During the financial year 2022-23, the said sub-contractor had arranged a payment of ₹ 2,452.80 Lakhs, to the lenders of the company, and accordingly the management is confident of recovery of the balances amounts and is of the opinion that no provision is required to be made in the Un-audited Standalone Financial Results for the quarter ended 30th June 2023.

14. Due to changes in business conditions on account of the Covid-19 pandemic, there has been delay in recovery of Trade Receivables from various parties including state governments, central government, NHAI, increase in materials cost and increase in cost of services, non-availability of adequate working capital to execute the contract works on hand, non-awarding of fresh contract works due to lenders reluctant to provide bank guarantee or other facilities, etc., have severely affected the business operations and billing cycle (raising of RA bills on the contractors) of the company which have resulted that the Company defaulted in repayment of dues to its lenders and devolvement of significant Non-Fund based facilities and most of the lenders have recalled their financial facilities extended to the company. The loans and other facilities sanctioned to the company have been classified by the lenders as Non-Performing Assets (NPA) and the interest/finance cost on financial liabilities up to the period of initiation of CIRP has been recognized on the basis of the loan/credit facilities sanction letters and other documents available with the company. In these circumstances, forensic audit on the accounts of the company has been initiated and completed as per the directions of the lenders and the management of the company has submitted detailed replies to the observations made in the said forensic audit report. Without considering the submissions made by the company, certain lenders have taken unilateral decisions which have affected the business operations of the company. As aggrieved with the unilateral decisions, the management / company has approached Hon'ble courts and got appropriate reliefs. As stated in Note No. 4, the Corporate Insolvency Resolution process ("CIRP") has been initiated against the company w.e.f.15th November 2022 as per the order of the Hon'ble National Company Law Tribunal ("the NCLT"), Hyderabad Bench vide its Order dated 15th November, 2022. As stated in Note No. 4, the promoters of the company have submitted One time full & final debt settlement proposal with the lenders of the company which was accepted by 97.20% COC members (lenders). Thereafter, the application filed under section 12A of the Insolvency and Bankruptcy Code, 2016 has been approved by the Hon'ble NCLT vide its order dated 10th September, 2025 as the Company Petition IB/308/HDB/2022 under Section 7 is allowed to be withdrawn. Accordingly, the CIRP against the company is also withdrawn. The company has paid the entire fund based amount as stated in the approved 12A plan as on the date of these un-audited standalone financial results.

15. During the previous year, the company has assigned some of its contract works on back-to-back basis to sub-contractors / other contractors as the company is unable to achieve the work progress targets due to working capital issue and non-availability of funds for the detailed reasons stated in note no. 14. The assignment of these contract works to sub-contractors / other contractors is done in the best interest of the company in order to avoid huge termination penalties and other hindered consequences. Due to assignment of contract works to sub-contractors / other contractors, the company could not raise bill for contract work executed till the date of assignment which has resulted in reduction of contract revenue and thereby caused huge losses.

16. As on 30th June 2023 the company has accumulated losses of ₹ 1,92,438.56 Lakhs for the detailed reasons stated in the note no. 14 and 15, and there is complete erosion in the net worth of the company on account of huge losses incurred. The company has defaulted in repayment of outstanding loans to its lenders and the company bank accounts are declared as NPA and the CIRP initiated against the company as per the order of the Hon'ble NCLT w.e.f 15th November, 2022. As on 30th June 2023, the current liabilities exceed the current assets by ₹ 2,44,109.34 Lakhs. The un-audited standalone financial results have been prepared on a Going-Concern basis as the Hon'ble NCLT has directed to continue the operations on a going concern basis. Further as on the date of these un-audited standalone financial results, the One-time full & final debt settlement proposal submitted by the promoters of the company with the lenders of the company was accepted by 97.20% COC members (lenders) and the application filed under section 12A of the Insolvency and Bankruptcy Code, 2016 has been approved by the Hon'ble NCLT vide its order dated 10th September, 2025 as

the Company Petition IB/308/HDB/2022 under Section 7 is allowed to be withdrawn. Accordingly, the CIRP against the company is also withdrawn. The company has paid the entire fund-based amount as stated in the approved 12A plan as on the date of these un-audited standalone financial results. Therefore, in view of the above, the management of the company has opined that the company will continue as a going concern and there is no uncertainty in this. Accordingly, the un-audited standalone financial results of the company are prepared on Going-Concern basis.

17. During the quarter ended 30th June 2023, NHAI, and Uttar Pradesh Jal Nigam, has arbitrarily invoked Performance Bank Guarantees amounting to ₹ 4,069.40 Lakhs due to slow progress of works for the detailed reasons stated in Note No. 14 and 15, and the same is disclosed as an exceptional item in the un-audited standalone financial results of the company for the quarter ended 30th June 2023.
18. The Code on Social Security, 2020 became effective from 21st November, 2025. The Company will assess the impact of the Code on employee benefit obligations and account for the same in FY 2025-26, as applicable.
19. Previous period / year figures have been regrouped to facilitate comparison wherever necessary.

Independent Auditor's Review Report on Unaudited Standalone Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors
Gayatri Projects Limited

1. We have reviewed the accompanying statement of Unaudited Standalone Financial Results of M/s. **Gayatri Projects Limited ('the Company')** for the quarter ended 30th June, 2023 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. The preparation of the statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) - "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies generally accepted in India, is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatements. A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Material Uncertainty Related to Going Concern

We draw attention to Note No. 16 of the unaudited standalone financial results which states that during the quarter the company has incurred a loss of Rs. 3,626.03 Lakhs and the accumulated losses till the quarter ended 30th June 2023 is Rs 1,92,438.56 Lakhs and there is an complete erosion in the net worth of the company as at 30th June 2023, default in repayment of loans and other financial and other credit facilities extended to the company by lenders, issue of various notices by lenders for recovery of their dues etc., and the initiation of Corporate Insolvency Resolution Professional ("CIRP") proceedings against the company vide order dated 15th November 2022 of Hon'ble National Company Law Tribunal ("NCLT"), Hyderabad bench and Interim Resolution Professional has been appointed and subsequently confirmed as Resolution Professional. The aforesaid factors indicate the existence of uncertainty that may cast doubt about the company's ability to continue as a going concern as at 30th June 2023. However, the un-audited standalone financial results for the quarter ended 30th June 2023 have been prepared on a going concern basis, as the Hon'ble NCLT had stated that the operations of the company to be continued as a going concern and subsequently, as stated in Note no. 4 of the un-audited standalone financial results, the promoters of the company have submitted a One Time Full & Final Debt Settlement ("OTS") proposal with the lenders of the company u/s 12A of Insolvency and Bankruptcy Code, 2016, and the same was accepted by 97.20% of COC members (Lenders) and subsequently the Hon'ble NCLT vide its order dated 10th September 2025 has allowed for withdrawal of CIRP proceedings against the company and Resolution Professional was discharged. As stated in note 16 of the unaudited

standalone Financial Results, the company has paid the entire fund-based amounts to the lenders as specified in the OTS proposal u/s 12A of the IBC 2016.

Our Opinion is not modified in respect of the above matter.

Process ("CIRP") against the company as per the order of the Hon'ble National Company Law Tribunal (NCLT), Hyderabad bench vide its order dated 15th November, 2022 and the appointment of the Interim Resolution Professional, later who has been confirmed as the Resolution Professional of the company. Notes to Un-Audited Consolidated Financial Results:

1. The above published un-audited consolidated financial results for the quarter ended 30th June 2023 have been prepared in accordance with the principles and procedures as set out in Ind AS on financial statements and such other applicable standards as notified under section 133 of the Companies Act, 2013 and Companies (Indian Accounting Standard) Rules 2015, as amended.
2. The above un-audited consolidated financial results for the quarter ended 30th June 2023 have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on 24th December, 2025.
3. The Company's Operations primarily consist of Construction activities and there are no other reportable segments.
4. During the Financial year 2022-23, Corporate Insolvency Resolution process ("CIRP") was initiated against the company w.e.f 15th November 2022 as per the order of the Hon'ble National Company Law Tribunal ("the NCLT"), Hyderabad Bench. Pursuant to the initiation of CIRP, the powers of the directors are suspended and the management of the affairs of the Company is vested with the Interim Resolution Professional / Resolution Professional appointed by the Hon'ble NCLT, Hyderabad Bench.
Subsequently, During the CIRP period, the promoters of the company have submitted a One-time full & final debt settlement (OTS) proposal with the lenders of the company and other lenders comprising a fund-based offer of ₹ 750.00 crore and non-fund-based recovery of ₹ 1,229.00 crores. In addition, the promoters have offered payment towards awarded arbitration claims amounting to ₹ 462.39 crore (representing 75% of the total ₹ 612 crore), along with 15% of any future arbitration awards payable until the return/closure of all Bank Guarantees or 31st March, 2033, whichever is later. The payment against arbitration claims shall be made subject to realization, as and when such amounts are received. The OTS proposal was accepted by 97.20% COC members (lenders) and thereafter, the application filed under section 12A of the Insolvency and Bankruptcy Code, 2016 has been approved by the Hon'ble NCLT on 10th September 2025, as the Company Petition IB/308/HDB/2022 under Section 7 is allowed to be withdrawn. Accordingly, the CIRP against the company is also withdrawn.
Following the NCLT order, the management affairs of the company are vested back to the promoters of the company w.e.f. 16th September, 2025 i.e. date of handover of the Management affairs of the company by the Resolution Professional to the current promoter/directors of the company. As on date of these un-audited consolidated financial results, the company has paid the total fund-based amount, which has been appropriated by all lenders as per the terms of the OTS proposal submitted under section 12A of the IBC.
5. The Company has an investment in Gayatri Hi-tech Hotels Limited ("Investee Company") amounting to ₹ 19,571.95 lakhs as at 30th June 2023, in the form of 4% Compulsorily Convertible Cumulative Preferential Shares ("CCPS") which is convertible into equity shares of the investee company during the financial year 2027-28. As per the audited financials of the said investee company as on 31st March 2024, during the FY 2023-24 the investee company has incurred substantial losses on account of recognition of outstanding interest dues as per the Amended Debenture Trust Deed and there is a complete erosion in net worth of the investee company during the year. However, as per the unaudited financials of the said investee company for the period ended 30th September 2025 and further as per the information available with the company, the business operations of the investee company have substantially improved, the net-worth of the investee company has turned positive and investee company is able to meet its financial obligations independently. In view of the above and also based on the managements internal evaluations/assessments done on the investment and also the fact that the CCPS are convertible into equity shares of the investee company during the financial year 2027-28 which is a long period for realization of the investment or to analyze the actual investment value, the company has opined that no provision for diminution / impairment for carrying value of the investment is required in the un-audited consolidated financial results for the quarter ended 30th June 2023.

6. Gayatri Highways Limited, an associate company in which the company made investments during the previous financial years and the balance of these investments as at 30th June 2023 are ₹ 16,770.03 Lakhs in the form of Non-Convertible Preference Shares ('NCPS'), Equity Share Capital investment ₹ 1,248.00 Lakhs, subordinate debt ₹ 17,967.01 Lakhs and unsecured loan ₹ 7,858.37 lakhs. As stated in the audited financial statements of the Associate Company, it has been incurring operating losses during the past few years. However, the financial statements of the said associate company have been prepared on a going concern basis as the promoters of the associate company have guaranteed support to the company and its management believes that its investments in several road projects will generate sufficient cash flows to support the company in foreseeable future. As per the representations and explanations given by the management of the associate company till the F.Y 2021-22, the said associate company is holding portfolio in several road projects and further they had stated that the future cash flows of the said associate company from the road projects on account of various claims filed, annuities, Toll collections receivable, and arbitration awards awarded will be sufficient to repay the amounts invested/advanced to the associate company and hence, no provision was made in respect of NCPS investments made by the company and unsecured loan/subordinate debt receivable by the company from the said associate till the year ended 31st March, 2022.

Upon initiation of CIRP against the company as stated in Note No. 4 above, the management of the affairs of the Company is vested with the Interim Resolution Professional / Resolution Professional appointed by the Hon'ble NCLT during the financial year 2022-23. During the course of CIRP, the Resolution Professional (RP) on behalf of the company had sent a demand notice to the associate company asking them to repay the entire unsecured loan and sub-ordinate debt. In response to such notice, the associate company has confirmed that the amounts due to the company are towards preference shares of ₹ 16,770.03 lakhs and unsecured loans as at 31st March, 2023, but surprisingly, the associate company had stated that during the financial year 2022-23 it has written-off an amount of ₹ 17,967.01 Lakhs being the subordinate debt payable to the company citing the reason that the subordinate debt was given by the company to the associate company towards funding of shortfalls in two major road projects i.e., SMTL and IDTL, and as the said road projects owned by SMTL and IDTL have incurred significant losses and were terminated by NHAI and on account of this, the associate company has incurred significant losses which cannot be recovered in future and accordingly, the associate company has unilaterally written off the subordinate amount of ₹ 17,967.01 Lakhs deeming the same as no longer payable to the company as there will be no surplus cash flows to the associate company from the said road projects. As per the information available with the company, the resolution professional has neither responded nor taken proper recourse to recover the sub-ordinate debt receivable from the said associate company. In these circumstances, as stated in Note No. 4 above, the One Time Debt Settlement proposal was accepted and the management affairs of the company are vested back with the promoters of the company w.e.f. 16th September, 2025. The management of the company has corresponded with the associate company asking the associate company to confirm on the outstanding subordinate debt payable to the company and in response to such letter, GHL vide its letter dated 29th November 2025 has stated that the amount are no longer payable to the company citing the reason that the subordinate debt was given by the company to the associate company towards funding of shortfalls in two major road projects i.e., SMTL and IDTL, and as the said road projects owned by SMTL and IDTL have incurred significant losses and were terminated by NHAI and on account of this, the associate company has incurred significant losses which cannot be recovered in future. The company is in the process of deciding the future steps to be taken against the associate company in order to recover its dues. As per the information made available to the company, the associate company may receive the claims awards in its favour and substantial amounts from sale of investments held by the associate company and the same shall be utilized to repay the amounts due to the company. However, based on the prudence concept of accounting and the fact that the subordinate debt of ₹ 17,967.01 Lakhs has been already being unilaterally written off by the associate company in the financial year 2022-23 as not payable to the company, the management of the company was of the view that provision shall be made in respect of subordinate debt of ₹ 17,967.01 lakhs and accordingly this provision was disclosed as an exceptional item (Net of Expected Credit Loss) in the Audited Consolidated Financial Statements for the year ended 31st March, 2023. It is further viewed that if this amount is recovered in future years, the same shall be accounted in the year of recovery in the books of account and in the financial statements. Further, as on date of these results GHL has paid an amount of ₹ 2,1962.16 Lakhs against the unsecured loan and accordingly, the management of the company is of the view that remaining dues receivable in the form of NCPS and unsecured loan are fully recoverable and hence, no provision is required to be made in the Un-Audited Consolidated Financial Results for the quarter ended 30th

June 2023 for the NCPS investments made by the company and unsecured loan receivable by the company from the said associate company.

7. During the previous financial years, in the ordinary course of business, the Company had given Contract Advances to a sub-contractor which on mutual consent was converted into an interest-bearing inter-corporate loan. The said Inter corporate loan of ₹ 18,676.14 Lakhs and interest thereon of ₹ 24,252.04 Lakhs is pending for recovery as at 30th June 2023. The recovery of this loan along with interest thereon is delayed due to extraneous reasons like changes in government policies, delays in execution of projects, etc. In the preceding financial years, the company had recovered considerable amounts from the said subcontractor against the loan and the same was adjusted to the principal amount of the Inter corporate loan. In order to expedite the recovery of the balance amounts during the preceding Financial Years, the said subcontractor had given an undertaking to the company, wherein they had agreed to assign proceeds from sale of immovable properties to the company for repayment of the Intercorporate loan and interest thereon. During the financial year 2022-23, the Resolution professional (RP) had issued a notice to the said subcontractor asking them to pay the entire amounts along with interest immediately. In response to such notice, the Sub-contractor had reiterated their commitments to pay the entire due at the earliest and as committed by them, said sub-contractor has paid an amount of ₹ 9,826.75 Lakhs during the FY 2023-24 & FY 2024-25. In view of the above, the management of the company is of the view that no provision for the same is required to be made in the Un-Audited Consolidated Financial Results for the quarter ended 30th June 2023.
8. One of the subsidiaries of the associate company (hereinafter called as "concessionaire company" or Sai Matarani Tollways Limited "SMTL"), which has been awarded a Build-Operate-Transfer (BOT) work for the construction of Four Laning of Panikoili-Rimuli section of NH-215 Road. The company has an EPC receivable of ₹ 23,715.65 Lakhs from M/s. Sai Matarani Tollways Limited "SMTL" as at 30th June 2023. Additionally, the company had given an irrevocable and unconditional Corporate Guarantee of ₹ 182,735 Lakhs to the lenders of SMTL. SMTL had given termination notice to the National Highways Authority of India (NHAI) due to irreparable loss of toll revenue from the road project and requested for termination payment of ₹ 229,667 Lakhs. Apart from the above-said termination payment, it had filed claims including EPC claims with the NHAI under Concessionaire's right to recover losses/ damages from the Authority on account of material default of the Authority. SMTL Road Project was terminated by the NHAI on 28th January, 2020 and toll collection rights were handed over to the NHAI from 30th January, 2020. SMTL had requested the NHAI for referring the disputes such as Termination Payment and Claims to the Conciliation Committee of Independent Experts ("CCIE") as per NHAI policy. The CCIE has suggested that there should be a give and take policy for both parties SMTL and accordingly, the termination payment was finalized to ₹ 79,650 Lakhs by NHAI. SMTL has requested its lenders to accept the above-said payment of ₹ 79,650 Lakhs towards full and final settlement of all existing past and future dues etc. Upon acceptance of the above stated proposal, the said lenders shall waive all future claims against SMTL and its guarantors including corporate guarantor i.e., Gayatri Projects Limited and drop all legal proceedings. In addition to above termination payment finalized by NHAI which will be utilized for payment of lenders dues, SMTL had filed EPC claims before NHAI and the amount of claim is ₹ 974.49 crores as per initial assessment before CCIE. The management of the SMTL was confident of getting claims from NHAI and assured to repay entire dues to the company till 31/03/2022. In these circumstances, during the Financial year 2022-23, the management of the company had informed its board that as a part of SMTL settlement with its lenders and for release of Corporate guarantee given by the company to the lenders of SMTL, the company was directed to waive its EPC receivable of ₹ 23,715.65 Lakhs from SMTL which was considered by the board of the company in its board meeting but the same was subject to approval of the consortium of the lenders of the Company. Subsequently, CIRP proceedings were initiated against the company and during the CIRP, the resolution professional of the company had written a letter to SMTL asking them to pay the EPC dues immediately. In response to the letter, SMTL had responded stating that there were shortfalls in the EPC executed by the company which all led to termination of Toll project by NHAI and the same had ultimately caused huge loss the SMTL and accordingly SMTL had stated that the amounts are no longer payable and had written off the same during the financial year 2022-23. As per the information available with the company, the RP has neither responded to the letter received from SMTL nor taken proper recourse to recover the EPC receivable from SMTL. Subsequently, as per the information available with the company during the FY 2022-23, based on the settlement agreement between NHAI and SMTL, the EPC claim

amount receivable from NHAI was settled to ₹ 171.53 crores as against initial claim assessment before CCIE of ₹ 974.49 crores and further, this claim amount of ₹ 171.53 crores was recovered /adjusted by the lenders of SMTL over and above the agreed settlement amount of ₹ 79,650 Lakhs. Subsequently, SMTL was admitted into CIRP as per the application filed by its lenders before the Hon'ble NCLT. In view of the above matters, during the financial year 2022-23 the company has made a full provision for bad and doubtful debts against the EPC receivable. However, no provision is required to be made in respect of corporate guarantee given by the company to the lenders of SMTL for the detailed reasons explained in Note No. 9b below.

9. Details of claims filed by the lenders in respect of Bank guarantees (BGs) and Corporate Guarantees, amount of claims filed and admitted by the Resolution Professional during the CIRP period of the company and status of the same as on 30th June, 2023: -

- a. During the course of the CIRP, the lenders have filed claims before the resolution professional in respect of Bank guarantees (BGs) given by the company towards Performance and Contractual commitments despite the fact that these BGs were not invoked by the BG beneficiary / holder. The Resolution professional has admitted the claims in respect of these BGs though the liability is not established in this case. As the BGs were not invoked and liability is not established in respect of these claims pertaining to BGs, the same cannot be disclosed under borrowings or loans and hence the same is disclosed as contingent liabilities amounting to ₹ 71,271.60 Lakhs in the un-audited consolidated Financial Results for the quarter ending 30th June 2023. In respect of the above contingent liabilities the promoters of the company have submitted a One-time full & final debt settlement (OTS) proposal with the lenders. The OTS proposal was accepted by 97.20% COC members (lenders) and thereafter, the application filed under section 12A of the Insolvency and Bankruptcy Code, 2016 has been approved by the Hon'ble NCLT as the Company Petition IB/308/HDB/2022 under Section 7 is allowed to be withdrawn. Accordingly, the CIRP against the company is also withdrawn. As per the said OTS proposal the company has to safeguard un-invoked Bank guarantees given towards performance and contractual commitments
- b. Details of claims filed by the lenders in respect of Corporate Guarantees given by the company and the details as on 30th June 2023 are as follows: -
 - i. During the course of the CIRP, the lenders of the associate company have filed claims of Rs. 6,800.00 lakhs in respect of the corporate guarantee given by the company and the same was admitted by the resolution professional even though the corporate guarantee was not invoked and the liability is not established and hence the same is disclosed as a contingent liability in the un-audited consolidated Financial Results for the quarter ending 30th June 2023.
 - ii. During the course of the CIRP, the lenders of SMTL have filed claims before the Resolution professional for an amount of ₹ 2,15,018.00 Lakhs which was admitted by the Resolution professional even though the corporate guarantee was not invoked by the lenders of SMTL and the liability is not established. However, the company as approved in its board meeting, has given corporate guarantee for ₹ 1,82,735.00 Lakhs only and accordingly, ₹ 1,82,735.00 Lakhs only is disclosed as a contingent liability in the un-audited consolidated Financial Results for the quarter ending 30th June 2023.
 - iii. During the course of the CIRP, the Lenders of IDTL have filed claims before the Resolution Professional (RP) amounting to ₹ 60,068.00 Lakhs which was admitted by the Resolution professional even though the corporate guarantee was not invoked by the lenders of IDTL and the liability is not established and hence the same is disclosed as a contingent liability in the un-audited consolidated Financial Results for the quarter ending 30th June 2023.

In respect of the above corporate guarantee which are disclosed as contingent liabilities the promoters of the company have submitted One time full & final debt settlement (OTS) proposal with the lenders including above stated CGs & BGs holders / lenders. The OTS proposal was accepted by 97.20% COC members (lenders) and thereafter, the application filed under section 12A of the Insolvency and Bankruptcy Code, 2016 has been approved by the Hon'ble NCLT as the Company Petition IB/308/HDB/2022 under Section 7 is allowed to be withdrawn. Accordingly, the CIRP against the company is also withdrawn. As per the aforesaid

OTS proposal an amount of ₹ 500 lakhs is assigned against the above stated CGs holders and the impact of the same shall be recognized in the financial statements during the financial year 2025-26 or subsequent years in which the payment is made. Accordingly, in the opinion of the management, in view of the above settlement for ₹ 500 lakhs for CG holders which will be accounted in subsequent years upon payment, the

accounting of admitted claims as loans / borrowings in the books is not required in the un-audited consolidated Financial Results for the quarter ending 30th June 2023.

10. An amount of ₹ 3,620.49 Lakhs as on 30th June 2023 is receivable from M/s Western UP Tollways Limited ('Erstwhile Associate Company or WUTPL') operating Meerut and Muzaffarnagar Section of NH-58 Road on BOT basis against the EPC works executed by the company during the previous years and the amounts shall be recovered out of claims amounts received by the erstwhile associate company from NHAI. During the previous financial years, the Arbitration Tribunal has pronounced arbitration award of ₹ 12,443.03 Lakhs which includes interest thereon of ₹ 6,405.00 Lakhs and extension of concession period by 348 days. In order to avoid future disputes and litigations in higher courts, at the request of the M/s. Western UP Tollways Limited, the above awarded claims and the termination payment have been referred to the Conciliation Committee of Independent Experts ("CCIE") as per NHAI policy. During the course of CIRP of the company, the CCIE has arrived a final settlement amount of ₹ 9,850.00 Lakhs and the same was accepted by the company for which the Resolution Professional on behalf of the company has entered into a settlement agreement with NHAI, GHL, and WUTPL, wherein the Resolution Professional of the company had accepted an amount of ₹ 1,133.08 Lakhs, as full and final settlement against its receivables and the same was paid by NHAI on 27/08/2024 during the course of CIRP. Accordingly, the impact of the same shall be recognized in the financial year 2024-25.
11. The Advances to Suppliers, Sub-contractors and others as at 30th June 2023, includes an amount of ₹ 14,722.65 Lakhs given to one sub-contractor in the normal course of business during previous years. The recovery of this advance is delayed due to certain extraneous factors not attributable to the subcontractor. During the previous financial years, the company had recovered ₹ 18,000.00 Lakhs from the sub-contractor. However, for the conditions stated in note no. 14 below and the company got admitted into CIRP, the contract works awarded to the company got transferred or cancelled by the contractees and in this process, the works awarded to the company which were allotted to this sub-contractor also got cancelled and due to the same the company anticipates a delay in recovery of amounts from the said subcontractor. In view of the delayed recovery, in order to comply with the Accounting Standards requirement, the company has till date provided an expected credit loss of ₹ 5,936.81 Lakhs. The management of the company is in the process of corresponding with the sub-contractor and evaluating the effect of cancellation of work the company and sub-contractor and analyzing the possibility to make claims in this regard in order to recover the dues at the earliest in the best interest of the business operations of the company.
12. The recovery of work and other advances and receivables from one subcontractor got delayed due to mismatch in cash flows of the sub-contractor and non-extension of adequate financial facilities. During the financial year 2022-23, the said sub-contractor had arranged a payment of ₹ 2,452.80 Lakhs, to the lenders of the company, and accordingly the management is confident of recovery of the balances amounts and is of the opinion that no provision is required to be made in the Un-audited Consolidated Financial Results for the quarter ended 30th June 2023.
13. Due to changes in business conditions on account of the Covid-19 pandemic, there has been delay in recovery of Trade Receivables from various parties including state governments, central government, NHAI, increase in materials cost and increase in cost of services, non-availability of adequate working capital to execute the contract works on hand, non-awarding of fresh contract works due to lenders reluctant to provide bank guarantee or other facilities, etc., have severely affected the business operations and billing cycle (raising of RA bills on the contractors) of the company which have resulted that the Company defaulted in repayment of dues to its lenders and devolvement of significant Non-Fund based facilities and most of the lenders have recalled their financial facilities extended to the company. The loans and other facilities sanctioned to the company have been classified by the lenders as Non-Performing Assets (NPA) and the interest/finance cost on financial liabilities up to the period of initiation of CIRP has been recognized on the basis of the loan/credit facilities sanction letters and other documents available with the company. In these circumstances, forensic audit on the accounts of the company has been initiated and completed as per the directions of the lenders and the management of the company has submitted detailed replies to the observations made in the said forensic audit report. Without considering the submissions made by the

company, certain lenders have taken unilateral decisions which have affected the business operations of the company. As aggrieved with the unilateral decisions, the management / company has approached Hon'ble courts and got appropriate reliefs. As stated in Note No. 4, the Corporate Insolvency Resolution process ("CIRP") has been initiated against the company w.e.f.15th November 2022 as per the order of the Hon'ble National Company Law Tribunal ("the NCLT"), Hyderabad Bench vide its Order dated 15th November, 2022. As stated in Note No. 4, the promoters of the company have submitted One time full & final debt settlement proposal with the lenders of the company which was accepted by 97.20% COC members (lenders). Thereafter, the application filed under section 12A of the Insolvency and Bankruptcy Code, 2016 has been approved by the Hon'ble NCLT vide its order dated 10th September, 2025 as the Company Petition IB/308/HDB/2022 under Section 7 is allowed to be withdrawn. Accordingly, the CIRP against the company is also withdrawn. The company has paid the entire fund-based amount as stated in the approved 12A plan as on the date of these un-audited consolidated financial results.

14. During the previous year, the company has assigned some of its contract works on back-to-back basis to sub-contractors / other contractors as the company is unable to achieve the work progress targets due to working capital issue and non-availability of funds for the detailed reasons stated in note no. 13. The assignment of these contract works to sub-contractors / other contractors is done in the best interest of the company in order to avoid huge termination penalties and other hindered consequences. Due to assignment of contract works to sub-contractors / other contractors, the company could not raise bill for contract work executed till the date of assignment which has resulted in reduction of contract revenue and thereby caused huge losses.
15. As on 30th June 2023 the company has accumulated losses of ₹ 1,92,438.56 Lakhs for the detailed reasons stated in the note no. 13 and 14, and there is complete erosion in the net worth of the company on account of huge losses incurred. The company has defaulted in repayment of outstanding loans to its lenders and the company bank accounts are declared as NPA and the CIRP initiated against the company as per the order of the Hon'ble NCLT w.e.f 15th November, 2022. The un-audited consolidated financial results have been prepared on a Going-Concern basis as the Hon'ble NCLT has directed to continue the operations on a going concern basis. Further as on the date of these un-audited consolidated financial results, the One-time full & final debt settlement proposal submitted by the promoters of the company with the lenders of the company was accepted by 97.20% COC members (lenders) and the application filed under section 12A of the Insolvency and Bankruptcy Code, 2016 has been approved by the Hon'ble NCLT vide its order dated 10th September, 2025 as the Company Petition IB/308/HDB/2022 under Section 7 is allowed to be withdrawn. Accordingly, the CIRP against the company is also withdrawn. The company has paid the entire fund-based amount as stated in the approved 12A plan as on the date of these un-audited consolidated financial results. Therefore, in view of the above, the management of the company has opined that the company will continue as a going concern and there is no uncertainty in this. Accordingly, the un-audited consolidated financial results of the company are prepared on Going-Concern basis.
16. During the previous year on 28/12/2022, the subsidiary company i.e. Gaytatri Energy Ventures was required to convert 16,19,928 Compulsory Convertible Debentures (CCDs), issued by it to NCC Infrastructure Holdings Limited (NCCIHL) to equity shares (1:1) as per the terms of the Share Purchase Agreement (SPA). However, due to unforeseen circumstances and pending legal compliances, the conversion could not be completed within the stipulated timeline and the debentures were due as at 31/03/2023. During the current Financial year i.e. 2023-24 based on mutual discussions with the debenture holder, the subsidiary company had restructured the CCD'S to 0.01% Optionally Convertible Debentures (OCD's) with a redemption price of ₹ 1,483 per debenture or to convert into 16,19,928 equity shares of the company at a Face Value of ₹ 10 per share as per conversion ratio of 1:1. The debenture holder and the subsidiary company had agreed for redemption of the debentures and pursuant to the same the subsidiary company had sold its investment held in NCCIHL of ₹ 28,969.35 Lakhs to NCC Limited for ₹ 24,023.53 Lakhs thereby incurring a loss of ₹ 4,945.82 lakhs on sale on Investment in March 2024. Further based on assignment agreement between the subsidiary company, NCC, NCCIHL, the amount receivable from NCC Limited pursuant to the sale of the investment of ₹ 24,023.53 lakhs was assigned towards the redemption of OCD held by NCCIHL of ₹ 24,023.53 Lakhs. Further the interest accrued on the said debentures was waived by NCCIHL. As stated above, the impact of the same shall be recognized in the 4th Quarter of the current financial year.

17. Bhandara Thermal Power Corporation Limited (BTPCL), a wholly owned step-down Subsidiary Company incorporated to build, own and operate coal-fired power plant in India in which the subsidiary Company had invested Equity Share Capital of ₹ 495.78 lakhs and also infused an unsecured loan of ₹ 8,597.92 lakhs as at 30th June, 2023. The subsidiary company had proposed the construction of power plant in Bhandara district of Maharashtra, India and acquired 622.93 Acres of land, but the said construction of power plant has not commenced due to various factors such as pending coal allotment, pending clearances & approvals from various authorities, delay in acquisition of complete land required for the project due to local factors., etc. The management of the company is in the opinion of not to proceed with the construction of the project by analysing the macro-economic conditions, future outlook and cost revenue feasibility of thermal power projects and other factors. The said land was pledged/given collateral towards loan obtained by Gayatri Projects Limited (GPL) (Ultimate Holding Company), and as GPL had defaulted in repayment of its loans, IDBI bank has issued SARFAESI notices to the subsidiary company and GPL, for recovery of the loan amounts due. Based on the information available with the company, during the FY 2025-26, IDBI Bank had sold the land via SARFAESI, and accordingly effect of the same shall be given in the financial year 2025-26.

18. During the preceding financial years, the company i.e. BTPCL had given Contract Advance of ₹ 2,155.05/- lakhs to Indira Energy Holdings Private Limited (the Contractor) towards execution of road and site development works at proposed Thermal Power Project site. As the company had not handover the complete land as required for the development of the project due to various reasons, pending coal allotment and pending financial closure, etc., the contractor has not commenced the road and site development works at the instructions of the company and the recovery of the advance given to the contractor is pending. The management of the company considering the nature of advances and the long pending recovery of the same has provided an amount of ₹ 1,083.61/- lakhs as Expected Credit Loss (ECL) during the previous financial years and is in the process of estimating if any further ECL/provision is to be made regarding the said Contract Advance. However, the management is confident of recovering the entire advance given to the contractor based on value of the monetary assets available with the contractor.
